Fire Department Starts Home Inspection Program

A home inspection program, with the purpose of checking for fire hazards, has been launched by the Orinda Fire Department, Marshal Bill Koch announces.

"This program is for one purpose only—to call attention to any hazardous conditions at homes, and to enable home owners to safeguard against loss of life or property," Koch said yesterday.

"It is not our intent to make people spend a lot of money, or to force them to correct any hazards. All we wish to do is to point out possible unsafe conditions.

"FURTHERMORE," we will take tests of electrical circuits, if so desired, to determine possible overloads.

"All this is free of charge.

"We hope," Koch continued, "that the people of Orinda will open their doors to the firemen, so that fire will not close them permanently to the people."

Koch and Inspector Wes Jackson are in charge of the program. However, all the firemen in the department are participating in it.

"THIS PROGRAM will be yearround," Fire Chief H. E. Wyatt said.

"By means of it we hope to acquaint the general public better with the firemen, and vice versa."

A home inspection program was conducted last fall by the Orinda Fire Department. The new program will be continuous, Wyatt and Koch stress.

DA May File Objections To Concord Muni Court

"In all probability we will file objections to the formation of a Municipal Court in Cnerd," Gerge McClure, deputy district attorney; told The Sun yesterday.

Reason for the objectio as stated by McClure was that the District Attorney's office would ask whether or not the formation of the court was "proper."

"Since the findings are so brief we will not have much to object to. But we will study the findings with a fine tooth comb and make our decision on our findings," McClure said.

THE DISTRICT Attorney's office, through process of law has five days in which to submit objections to the proposed municipal court.

Under the California Constitution a municipal court shall be established if a population of 40,000 is proven within the confines of a judiciol district.

Concord is presently served by a justice court administered by the county.

If objections are submitted by the district attorney, a hearing will be called.

AT PRESENT there is one municipal court in the county — in Richmond. This means that in any litigation, the amount of which is over $500 and under $3000 anywhere in the county, must be filed in Richmond.

This filing in Richmond, according to a group of attorneys, who represent the central Contra Costa Bar Association, adds to the cost and inconvenience to the litigant and the attorney because of time and transportation.

Theer are three ways of establishing population within a judicial district, set up by government codes, to set up a municipal court.

1. On the basis of a federal census.

2. Established by a special census of the district, which can be called by the board of supervisors, and:

3. **BY AN ACTION** for declaratior relief through the superior court.

Maurice "Yank" Marcus informed The Sun that the third point was used by the attorneys in seeking formation f a municipal district.

Marcus appeared before the Board of Supervisors Tuesday and urged that the necessary forms for the operation of a municipal court be printed and other factors necessary to the workings of a court be taken care of as quickly as possible to get the court into operation.

THE REQUEST for action was turned over by the board to Desmond Teeter, county administrator, for study.

Proponents of the municipal court for Concord were unable to determine why the District Attorney's office was considering objections.

"If it's on the grounds that we don't have 40,000 people out here, I can't understand it. There are 22,000 children in the Mt. Diablo Scholso alone and they all have parents," said one proponent.

Sheriff Denies Rehash Rumors

Sheriff Harry A. Brown flatly denied rumors stating there would be a major reorganization in the sheriff's department following investigations by the Contra Costa County Grand Jury.

Brown told The Sun that there would be no reorganization of any kind and that a reorganization of the department had been completed.

"The sheriff's office is organized just the way we want it and it is organized following the best concepts of police work," said Brown.

Brown pointed out there would be some changes in the future in the ranks of the department's captains.

"At present, we have two acting captains, Lee Gallamore of the criminal division and Bob Fisher in the patrol division.

We would like to see these acting positions elevated to the rank of full captain. There is no possibility of this in the present budget since the money is not available but we would like to see the changes made when the tax situation is lessened," said Brown.

Low Morale Reports Hit

Reports of low morale in the Contra Costa Sheriff's office were termed "hog wash with highly political implications" Wednesday by Sheriff Harry A. Brown.

Brown pointed out that in his term of office he had never received one complaint based on morale.

"There are regulations and procedure covered in which any member of this department may forwafd a complaint or grievance report. I never have received one," Brown said.

"I DON'T EXPECT a man to sit back and be content with everything and everybody. This doesn't make for a good police officer. We all would like to make a little better wage. Each and every man on the department is doing the work of two men and doin ga good job of it," he continued.

Investigations of the reports of low morale in the department were made by the Contra Costa Grand Jruy. The grand jury met with the Contra Costa County Board of Supervisros and the Sheriff and undersheriff John Jagard to see if the complaints were founded.

THE GRAND JURY has not issued a report of any type as yet on its findings.

"The Sheriff's department has one of the finest records in loss recovery in the state and this is a fact we can prove.

Prize Winners Listed at Store

A total of 53 prize winners is listed at Ogden's new store at 21 Orinda Highway in the Village Shopping Center in Orinda.

The winners of merchandise prizes in the drawing held on the occasion of the Grand Opening of the new store consist of 42 women and girls and 11 boys.

Public Support Sought by Doctors For New Hospital

Ways and means of gaining more community support for the construction of a private hospital in the central county area will be discussed by physicians at a meeting Sunday at 2 p.m. in the Mt. Diablo Therapy Center, Golf Links Road, Pleasant Hill.

An exclusive story in The Sun on February 1 broke the news that a large number of area physicians were in favor of building a new hospital to alleviate the crowded conditions which now inconvenienec residents of this growing area.

Estimates of cost ranged from $1 million to a more recent figure of $650,000.

Speakers at the meeting Sunday will be attorney John Nejedly of Walnut Creek and architect Reiner Nielsen of Los Angeles.

Nejedly will talk about the procedure for forming a corporation, for the sale of stocks, and other financing methods.

Nielsen will show possible layouts for the new hospital. He has been the architect for nearly 30 small profit hospitals in the Los Angeles area, and is associated with the construction of a $2½ million addition to the San Joaquin County Hospital.

Dr. Frederick Hansen, who is handling public relations for the group of doctors from Lafayette, Walnut Creek, Alamo, Danville and Pleasant Hill said that the location of the hospital is still an open subject.

"It could go in the Acalanes High School area, or in the Walnut Creek area or other locations have been discussed," he said.

"We hope to get the interest of more community leaders in the project. One way may be by increased participation by them in the planning and conduct of affairs," Hansen added.

Doctors interested in the work will meet at 2 p.m., in the Therapy Center Building. An attendance of 60 is expected.

Many physicians have expressed optimism for the chances of financing the new hospital, conditioned upon the public acceptance and support.

County to Pay For Relocation Of PG&E Towers

In preparation for the county construction of Orinda By-Pass, the Board of Supervisors Tuesday agreed to cover reimbursement to the Pacific Gas and Electric Company in connection with tower relocation.

The board authorized an agreement to be mde with PG&E, and a letter-form agreement was signed on behalf of the board by Chairman Ray S. Taylor.

RECOMMENDATION that such an agreement be signed was made by County Public Works Director Victor Sauer, whose department is in immediate charge of the $10,250,000 county road bond program approved by the voters in 1952, which includes the Orinda By-Pass and other portions of the San Pablo Dam Road-Orinda Highway project.

Estimated cost of the tower relocation, according to Sauer, is $39,000.

Sauer's recommendation was to the effect that "a resolution authorizing the chairman of the board to sign the agreement be executed by the chairman of the board and the clerk of the Board of Supervisors.

A CERTIFIED COPY of the resolution and the executed document was to be forwarded to S. B. Barton, manager of the PG&E land department in San Francisco.

According to the agreement, billing will be on an actual cost basis, and the county will reimburse PG&E for the expenses of moving the towers.

'Town Meeting' on May 6 To Discuss Incorporation

A "Town Meeting" on the subject of Orinda incorporation will be held the night of Monday, May 6, at the Orinda School auditorium, the Orinda Association Board of Directors decided Monday night.

President W. E. Estes appointed Kirk Miles to be in charge of arrangements for the gathering.

"The idea of the 'Town Meeting' will be primarily to answer various technical questions regarding incorporation," Estes explained.

"A PANEL of experts will present aspects of the controversial subject and will answer queries from the floor."

Estes said that the members of the panel are still to be chosen.

The association president stated that the "Town Meeting" will serve to stimulate the renewed drive for signatures to petitions asking the County Board of Supervisors to schedule an election on Orinda incorporation.

IN ANOTHER ACTION at their meeting at Orinda School, the directors offered to Orindans, Inc.,—the neighborhood improvement group for Moraga Estates—the technical services of the Orinda Association's planning committee.

This offer followed a talk by C. C. Rea, president of Orindans, Inc., on the status of the Dr. W. F. Thomas property at Moraga Highway and Southwood Drive.

Rea recalled that the county some time ago had granted Dr. Thomas, a Piedmont and Oakland dentist, a land use permit for erection of a medical-dental building at Moraga Highway and Southwood Drive.

REA SAID it has been alleged that last October, a day or two before scheduled expiration of the land use permit, a "token action" had occurred in the laying of a small quantity of cement.

He inquired as to whether the Orinda Association could give financial and moral support to Orindans, Inc., in the latter group's efforts to learn whether or not proper action had been taken to start construction.

The Orinda Association board said that the present financial condition of the Orinda Association did not permit financial support, but the directors offered the technical services of the planning committee, headed by Dick Bartle.

Concord Runaway, 16, Steals and Wrecks Car

A 16-year-old juvenile girl faced six traffic charges issued by the California Highway Patrol in addition to a runaway charge issued by the Concord Police Department. The girl was taken into custody Sunday by Concord officers and turned over to the County Juvenile Hall in Martinez.

Before her apprehension at her Concord home, the girl stole an automobile, drove at speeds up to 95 miles per hour failed to heed a red light and siren and used high headlight beams while closely following another car.

The car was stolen from J. F. Lea of 1735 Reliez Valley Road and was finally wrecked at the Pleasant Hill Road and Mt. Diablo Boulevard interchange when she failed to negotiate a turn.

After the crash the girl was sought by city police, sheriff's authorities and CHP officers. She was first reported missing on Wednesday afternoon by her mother, after playing hookey from a scheduled parent-teacher conference at Mt. Diablo High School.

She had roamed the College Park area for two days befcre stealing Lea's car early Friday morning. Police took her into custody when she returned home Sunday after visiting a girl friend in Oakland.

Orinda Housewife Is Latest Victim Of Con Man

"Gypsy switches" and "pigeon drops" continue to confound swindle victims and provide more work for police officials.

Most recent local victim of a confidence man is Mrs. W. B. Dunshee of 38 Ardilla Road in Orinda.

Mrs. Dunshee reported to the sheriff's substation at Walnut Creek that she fell prey to a man she described as about 50 years of age who offered to pave her driveway last Friday.

The man said that for $35 he would do the paving job with some materials left from a prior job nearby the Dunshee home.

Mrs. Dunshee accepted the man's offer ad, when he reported to her later in the day that the job was complete, paid him by check.

He asked to have her telephone an Orinda drugstore to vouch for him so that he could cash the check. She did.

He left.

Mrs. Dunshee looked at her driveway.

It was unpaved.

She called the drugstore.

The check had been cashed.

No-Parking Set At Theater

To become effective May 10, an ordinance was adopted by the County Board of Supervisors Tuesday establishing a no-parking zone on the west side of Moraga Highway in front of the Orinda Theater during performances at the theater.

The "no parking during performance" zone is for the westerly side of Moraga Highway, beginning 82 feet northerly of Brookwood road and running 40 feet northerly.

Recommendation that such a zone be established was made by County Public Works Director Victor Sauer.

Sauer's recommendation followed an investigation by his office of the parking situation in front of the Orinda Theater. Request for such an investigation had been made by Orinda Fire Marshal Bill Koch.

Timothy Layden Hospitalized By Auto Accident

An automobile accident on Sunday morning at 4 o'clock has hospitalized Timothy B. Layden, 25, of San Francisco.

Layden is the son of Mrs. T. E. Colvin of 121 Van Ripper Lane, Orinda.

He was returning to his mother's home, where he was spending the weekend, when he apparently fell asleep at the wheel of his car, or was forced off the road, on Orinda Highway near the intersection of Irwin Way.

His injuries are serious enough for him to be hospitalized at Kaiser Foundation Hospital in Walnut Creek.

Although no visitors are permitted at present, his complete recovery has been predicted by physicians.

Layden is employed in the advertising department of the Wall Street Journal in San Francisco. He lives at the University Club there.

A graduate of University of Arizona, Layden also attended San Francisco State College.

Rec Program Will Continue Next Week! . . .

Although next week will be Easter vacation at the schools, the Orinda Recreation Program will continue next week, Recreanounced yesterday.

Next Friday—All playgrounds closed.

MISS FRANCES TIGHE has been selected as the "representative teacher" at Pine Grove School. The seventh grade instructor is shown checking on some tests which were given to her students. Sun photo by Gerry Meeder.

Representative Teacher Stresses Good Citizenship

By BOB ROSS

Frances Tighe is a petite blue-eyed girl with blonde hair who looks almost lost behind the wheel of her Pontiac sedan.

She could easily be a model posing as a "representative teacher" from any school in America.

Her youthful appearance and vitality belie the fact that she has had 14 years experience in Orinda schools.

SHE CAME to Orinda before the present administration was formed into the progressive district it now is.

"It's been interesting watching it grow," said Miss Tighe.

"Mr. Sheaff when he first came to Orinda was principal of our one school, and he worked hard to set up the present administration," she continued.

When she first joined the teaching staff of Orinda School, Miss Tighe taught a class of fifth graders. She continued teaching that grade level until 1947, when she moved to a seventh grade class.

SHE HAS been teaching a seventh grade class ever since. Until last year, her classroom was in Orinda School. When the Pine Grove School was occupied, this week's "representative teacher" was established there.

Her present class is a large one, 39 students, and in addition to directing the educational activities of these about-to-be-teenagers, Miss Tighe is faculty advisor for the seventh grade on the Student Council.

This student body government group, with the assistance of Miss Tighe and Bill Hester as advisor from the eighth grade class, consists of two representatives from each of the twelve rooms in the two grades, six each from the seventh and eighth.

BESIDES THE representatives the Council has four officers, as in every governing body.

This Student Council hears reports from the class representatives on issues of interest to the student body.

The council then discusses the issue and formulates a policy for adoption by the students of Pine Grove.

"As advisors, we only suggest things to the council," said Miss Tighe. "But if the Council sees fit to reject our advice they have the right to do so.

"FOR EXAMPLE," she continued, "a recent issue revolved around determining what constitutes a serious ofefnse for students to have committed.

"Our system for handling misbehavior is based on two levels of offense. For a smaller offense, students are issued a warning. For a serious offense, they get a detention slip. This requires them to remain after school for an hour and do extra work supervised by a teacher.

"After three warnings, a detention slip is issued. Three detention slips merits suspension from school for a week.

"The issue in discussion centered around whether running in the halls was a more serious offense than chewing gum in class.

"The advisors feel that the running offense is more serious, but the students think it is chewing gum that should rate detention.

"WE HAVE made our suggestions, and the students have taken them under advisement; but if they decide that the chewing gum offense is more serious, that is the policy that will be adopted by the school."

Miss Tighe considers that the important task in teaching is centered on teaching her students to be good citizens and accept their responsibilities in an adult world.

"They all learn the subject matter," she said. "That comes as a matter of course once they understand that learning is a necessary process if they are to take their rightful place in society."

"Teaching them good study habits is so important. Giving them an understanding that school will provide them with the tools that will enable them to accomplish their desires is necessary, too," she continued.

Because of her interest in art she has taken many art courses as well as education courses in Children's Literature and courses in foreign languages, "because I never had a chance to learn them."

She learned French well enough to teach it in specialty classes for a year at Orinda School.

CURRENTLY she is taking a course in school supervision and administration work . . . simply because she is interested in that aspect of her profession, not because she intends to do administrative work.

"I've always wanted to be a teacher," she said. "And I'm very happy here at Pine Grove with my seventh grade.

"I used to think it might become mechanical after a while teaching the same work every year, but that hasn't been the case at all.

"EACH YEAR'S new class brings new challenges, since every student is an individual," she continued.

"I'm now teaching younger brothers and sisters of some of my former pupils, and the fact of individuality is brought home to me with each day.

"The students of the seventh grade are just reaching true maturity, and it's a wonderful thing to watch them develop.

"They are learning a deep sense of loyalty to their class, their family, their school, their community.

"THEY'RE learning, too, to face responsibility."

Frances Tighe is a fitting "representative teacher" with which to close a series of articles.

'Unorganized' Gang Blows Up Dam; Steals

Sheriff's deputies who recently arrested three Miramonte High School students for two thefts of liquor from private homes discovered during interrogation of the youths that these three were involved in the mysterious bombing of St. Mary's reservoir and other explosions in this area recently.

All three youths are described as "bright" by authorities.

One of the boys, a 15 year old youth, is being held at Juvenile Hall for his part in the crimes. The other two have been released to their parents pending a hearing by Juvenile Court.

A petition has been filed for the boy being held, and he will face the court on April 30.

The other two boys will have to wait for petitions to be filed by Probation Department officials at the request of the Sheriff's office on the allocation and specification of the bombings and the thefts.

Reports that one of the boys was the "ringleader" of the group are as yet unconfirmed.

Probation department authorities are of the opinion that the "thrill" crimes were committed by the whole group, and that fixing the responsibility to one youth is not consistent with the facts indicated.

According to reports, the three youths, having stolen blasting material from the Tunnel Rock Quarry on Feb. 25 set out on the night of March 16 to blow up an old car which was sitting on the Lucas Ranch property.

When they arrived at the site, the old car was gone.

They then decided to go over to St. Mary's College to explode their home-made bombs.

They succeeded in blowing the gates of the college reservoir, permitting about 40 acre feet of water to spill out of the storage lake, and doing an estimated $1000 worth of damage.

A week later, on March 23, they headed for the old silt dam at the Bear Creek Reservoir to attempt another bombing.

Probation officials report the boys "were talked out of it" and only threw the bomb into the water.

In addition, they blew up two oak trees in the Lafayette area.

Reports that the youths intended to blow up the huge Lafayette Reservoir were not substantiated.

On the night of the abortive attempt to blow up the silt dam, the youths, in company with a Berkeley boy, burgled the Brookside Road cabin of Paul Byers, stealing a quantity of liquor.

On April 1 the same four youths stole an estimated $90 worth of liquor from a shed in the rear of the home of W. H. Hughes at 3961 South Peardale Drive, Lafayette.

They told officers they "threw away" most of the stolen liquor.

The Berkeley youth is described as being only a spectator at the thefts, and has been released pending restitution.

Further disposition of the case will not be affected, according to reports, until the determination of degree of participation by each of the three local youths has been made.

During their interrogation by sheriff's officers, all three youths on several occasions used the word "bored" to explain their reasons for setting off on a life of crime.

The youth who is still being held has been described as having "an exceptionally high IQ."

He reportedly told detectives he was also planning "assassinations" in the near future.

Warm Spell Goes But Gardens Stay

For some mysterious reason or other the unseasonable warm spell of last weekend disappeared before yesterday.

Nothing daunt, however, the local gardeners were out in full force, pulling weeds, spreading Vigoro and sundry other plant foods, digging small holes and turning the earth preparatory to dropping little seeds into the bosom of Old Mother Nature.

It is hoped that everyone's water supply holds up, because no rain has fallen this past week. The season total rainfall remains at the 19.31 figure of last week.

Temperatures began a steady decline about Monday.

Warford Mesa Dead-End Road Gets Approval

Decision that Hillcrest Road in Warford Mesa Unit 4 can terminate at the end of Lot 130—a dead end—was made by the County Planning Commission Tuesday night.

Commission action was in approval of developer Al Warford's statement to the commission that he did not wish to go against the wishes of property owners at the subdivision who have expressed a desire to live on a dead-end street.

Previously, the commisison had specified that Hillcrest Road should be open, providing access for fire equipment and other purposes.

Stores Pledge Magazine Sale Cooperation

Full cooperation has been pledged to the Orinda Mothers Club by all stores in the Orinda-Rheem area selling magazines to "keep all objectionable material out," Mrs. Charles Erickson, Mothers Club president, reported yesterday.

A recent letter to these stores from the Mothers Club, signed by Mrs. Erickson, stated:

"The sale of pornographic literature—pocket books and magazines—has been the subject of a great deal of discussion recently, and very grave concern. We are especially disturbed by the fact that they fall into the hands of our children. The 25 members of the Board of Directors of the Orinda Mothers Club unanimously voted to take action in the matter."

In the latest Mothers Club bulletin, Mrs. Erickson reports:

"Concerning the magazines sold at the various stores. A letter was written by the Mothers Club board and sent to the five stores selling magazines.

"I am happy to say that I have received letters from all of them saying they are happy to cooperate. They will try to keep all objectionable material out, but if you see any, feel free to speak to them about it."

St. Stephen's Announces Final Lenten Lecture

"The Sacraments," with their demand for active participation and their opportunities for constant growth in understanding, will be discussed by the Rev. Dr. Massey H. Shepherd when he speaks on Tuesday at 8 p.m. at St. Stephen's Episcopal Church, Orinda.

Dr. Shepherd, who is professor of Liturgics at the Church Divinity School of the Pacific in Berkeley, is nationally recognized as the outstanding authority on the Episcopal prayer book, and has written many religious books.

His "Oxford American Prayer Book Commentary," published in 1950, is considered a monumental work. He is also the author of "Worship of the Church" and "The Living Liturgy."

He is a member of the Standing Liturgical Commission of the Episcopal Church, and was president of the American Society of Church History in 1949. He has won a wide reputation as a compelling and intensely interesting speaker.

Ushers and hostesses at the lecture will be members of Cottage group No. 1. Ushers will be Walter Christie, Steve Shutt, William Effinger and Fred Evans. Hostesses will be their wives and Mrs. Gladys Schwatka.

Congregational

"Prayer and Commitment" will be the Rev. Chauncey E. Blossom's topic at the three Sunday morning services in the Orinda Community Church at 815, 9:30 and 11 o'clock.

The 8:15 family service is a duplicate of the 9:30 and 11 a.m. services except for the omission of special music. During the first part of the service the children worship with their parents and are dismissed to their Church School classes during the sermon.

Neighborhood Drives to Aid Cancer Research

Plans are forming for an all-out house-to-house canvass by American Cancer Society volunteers for a week starting April 23, according to Guy Spencer, Contra Costa County Cancer campaign chairman.

Originally planned for a one-day drive scheduled for April 30, the cancer campaign for local residents will run for a week. Volunteers will solicit at a time most convenient for their neighborhoods.

Reason for the change, according to Spencer, is the fact that county schools are holding open house on various days throughout the week.

THEREFORE, he authorized volunteers to select an evening from April 23 through April 30 which will not conflict with Public School Week activities.

Some 7000 volunteers throughout the county will take part in the combined fund-raising and educational operation, distributing factual leaflets about cancer and appealing for contributions. The goal for the county campaign is $50,000. Area chairmen have accepted portions of this goal according to population.

"The cancer campaign is more than a campaign for funds," Spencer said. "It also is a concerted effort to reach every family in the community with life-saving facts about cancer, and to urge annual health checkups."

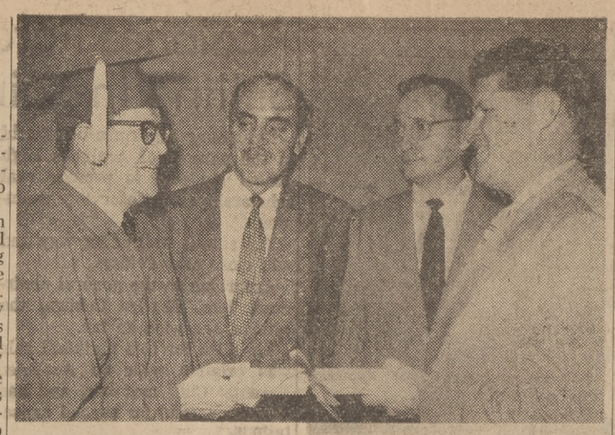

He added that cancer education shares with advances in medical treatment the credit for saving one person in every three of those who are now stricken with cancer.

"IN CONTRA COSTA County alone," Spencer said, "The lives of an estimated 359 persons will be saved from cancer this year."

"During the past year," he pointed out, "over 90,000 persons have been furnished with free educational literature. The aim is to make every person in the county aware of the cancer danger signals so that treatment may be secured in time.

"This local educational campaign goes hand in hand with continuing research which is widening the control of cancer by finding methods of diagnosing and treating the disease," he said.

Spencer said that the organization of volunteers throughout the county is nearly complete. Reports from area chairmen indicate recruitment of captains is completed and a large percentage of volunteers for the door-to-door drive have already signed up.

RECIPIENT OF A diploma from the "College of Real Estate Knowledge" held yesterday as an all-day conference among top realtors in the state is Frank Ricks, right, regional vice president of the California Real Estate Association. The event was held in the Oakland Municipal Auditorium. Left to right are John Boydstun of Bakersfield, Jim Klausner, chairman of the county realtors educational committee, and Wayne Bailey, executive secretary of fthe county Real Estate Board.

Cancer Captains Appointed to Conduct Drive

Mrs. Ernest J. Marchi, Walnut Creek chairman for the 1957 Cancer campaign, announced the names of 26 captains who will assist in the house to house canvass for the local goal of $5,500.

These include Mesdames Alice Elissondo, Eda Mae Myers, R. F. Marks, H. L. Morris, William Graham, Patricia Hart, E. W. Cheadle, F. W. Wasserman, R. V. Fender, W. T. Sly, J. W. Aucott, J. L. Slater, K. R. Krey.

Mesdames Mabel Moore, T. J. Isackson, F. J. Walden, L. W. Grant, Betty Swenson, E. E. Gideion, E. H. Egan, E. G. Bell, W. R. Meagher, D. Marker, R. A. Schimmel, and Messrs' Frank Bell and Daryl Ward.

The captains will recruit a total of 600 volunteers to contact their neighbors in the educational and fund raising "C" Day effort in Walnut Creek.

Sixteen of the 25 captains needed to canvass the Lafayette area have been appointed, according to Mrs. Julian N. Stern, Lafayette residential chairman.

The Lafayette campaign goal is $3,100.

Captains appointed this week are Mesdames C. J. Busso, Harry S. Schwartz, David A. Calderon, W. H. Markstein, L. A. Carlson, R. A. Prouty, H. J. Lenahan, Temple Smith, Peter H. Grayum, L. G. Rutherford, McKie W. Roth, Robert L. Jeansonne, W. E. Walk, James A .McCormick, Richard Goggin, J. St.Clair, Richard H. Smith, C. A. Nilsen, S. Bolstad, D. Pickens.

Mrs. Stern said that more than 300 volunteers will be needed for the one-day drive. She urged volunteers to call her at AT 3-6866.

Mrs. Forest Hill, Orinda chairman, announced that Mrs. N. L. Morgenstern will serve as chairman for the Moraga-Rheem area.

Organization of Orinda is nearing completion, according to Mrs. Hill. Eighteen captains are now at work recruiting neighborhood volunteers. Orinda's quota is $3,500.

Captains in Orinda include Mesdames James Benny, Darrel Browning, Philip S. Champion, W. E. Christiansen, F. A. Dorland, Herbert Reid Fairchild, Robert S. Farrell, Stephen B. Fiske, Lloyd Fosbourg, Lawrence Harper, Ted J. Laher, Philip N. Mark, L. G. Patton, Robert D. Shurtleff, Stephen W. Shutt, Joe G. Sweet III, D. B. Woodcock, Howard N. Young.

Contractors Hear Speech

The economy of the nation and its effect upon the Home Building Industry was discussed at a General Contractors Association meeting Wednesday at the El Nido, Lafayette.

Professor Paul Wendt of the Department of Economics of the University of California talked on "The Home Building Industry — Its Economics Today and Tomorrow."

Christian Science

How sickness as well as sin can be overcome through spiritual understanding God, divine Principle, will be brought out at Christian Science services Sunday.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Science Society of Pleasant Hill meets at the Hillcrest Congregational Church in Gregory Gardens.

Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Psalms (103:2-4): "Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine inequities; who healeth all thy diseases; who redeemeth thy life from destruction."

In addition to passages from the King James Version of the Bible, selections will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following (406:1-6): "The Bible contains the recipe for all healing. 'The leaves of the tree were for the healing of the nations.' Sin and sickness are both healed by the same Principle. The tree is typical of man's divine Principle, which is equal to every emergency, offering full salvation from sin, sickness, and death."

Public School Week Plans Completed

Acalanes High School District secondary schools will observe "Public Schools Week" April 29 to May 3, with special open house programs at Acalanes, Miramonte and Las Lomas High Schools.

The Las Lomas program will be held 7:30 p.m. April 25, to coincide with the school's regular parent club meeting.

The program will feature a short band concert, an address by Neil M. Parsons, district superintendent and "open house" and exhibits in all classes.

The Walnut Creek Lions Club members will hold their regular May 1 luncheon at Las Lomas High as guests of the school home economics students and they will tour the campus with students in the Las Lomas Leadership Class.

Acalanes High will hold its open house program Monday, April 29, at 3 p.m. Parents will hear Parsons and tour the school plant and special exhibits.

Miramonte will also hold its open house on Monday, April 29 at 8 p.m. The program will feature presentations by home economics, physical education, arts and crafts and music students, followed by open house exhibits in the classrooms.

The general public and parents of District pupils are invited to the commemorative "Public Schools Week" program at the high school for their community.

Red Cross Drive Lags; Volunteers Still Soliciting

Local Red Cross officials this week expressed concern at the lagging fund drive, now extending into April.

Volunteers will continue their canvass of the area in an attempt to reach the Mt. Diablo Chapter goal of $29,000.

A total of $15,049.50 has been reported collected early this week. This represents only 52 per cent of the amount needed to carry on regular Red Cross services for the coming year.

The Mt. Diablo Chapter area includes Alamo, Danville, San Ramon, Diablo, Lafayette, Orinda, Canyon, Moraga, Walnut Creek and Pleasant Hill.

Red Cross disaster funds have been depleted, according to a report received here from Gen. Alfred M. Grunther, national president.

Disaster workers are on the scene in five midwestern states hit by blizzards last month. Continued assistance to storm victims has been carried on by use of funds contributed during the current drive, Gen. Grunther said.

Local officials stated that the goal set for the fund drive represents the minimum needed to provide traditional Red Cross services.

In addition to disaster aid, Mt. Diablo Chapter provides instruction in mother and baby care, home nursing, first aid and water safety, as well as programs of Gray Ladies, motor service, social welfare, Junior Red Cross and assistance to needy servicemen and their families.

Foothill Branch Plans Egg Hunt

The Easter Bunny and his helpers (members of Foothill Branch, Children's Hospital of the East Bay) are busy completing plans for the group's 10th annual Easter Egg Hunt on Palm Sunday at Piedmont's Community Center.

Always a gay day for the two-to-seven set, this year the event will have added entertainment when the Piedmont Bagpipers circulate among the youngsters and their parents playing their Scottish tunes and lending an air of colorful festivity to the occasion.

According to Mrs. Patrick Cunningham, Branch chairman, the hunt will begin promptly at 3 p.m.

Orinda Real Estate Firm Sues EBMUD

East Bay Municipal Utility District has been sued for $75,000 by Boies and Soule, real estate agents in Orinda who said that EBMUD has refused to supply water service to seven lots in the Saranap area, just west of Walnut Creek.

The firm has alleged that it offered to pay the legal water rate for the lots which are in a portion of the Springhill Unit No. 2 subdivision. They alleged that the property is in an area served by EBMUD.

EBMUD spokesmen have said that the lots are so close to the Diablo Vista Reservoir that proper pressure cannot be maintained, and a new pressure zone would have to be established.

The company has offered to establish the new zone and pay for a new tank and pumping system if Boies and Soule would pay for 2750 feet of water main costing $11,825. They allege that the real estate firm refused.

Steam Roller Disappears From Job Site

Thieves are cannier than ever!

At least, some thieves are. Reference is made to the person or persons unknown who managed to make off with a steam roller from a road project on Moraga Road in Lafayette about one mile north of Rheem Center.

It would seem that the job of stealing a steam roller—even a half-size one—without being observed would be almost Herculean in stature.

However, the theft was effected sometime between Sunday morning last and Monday morning when it was discovered by the victim.

The equipment belongs to California Rental Company of Oakland, whose records show that it was rented by Vincent Rodriquez of Hayward.

The complainant in the case, according to Sheriff's deputies, states that evidence shows a dual-wheel truck was used to haul the equipment away. The roller was sitting on a metal trailer.

Both the steam roller and the trailer were painted orange, which should make them relatively easy to spot.

If you see a steam roller and/or metal trailer just rolling around, you should contact Inspector Norman Wilson at the Walnut Creek Substation of the Sheriff's Department, YE 4-4111.

Merchants Told To Be on Lookout For Bad Checks

Merchants, especially grocery stores, are warned to be on the lookout for a man who is passing bad checks in central Contra Costa County.

According to Sheriff's officials, the man is described as about 40 years old, 5 feet 11 inches tall, thin blond hair, a neat dresser with a pleasant personality.

This man has passed several "no account" checks, according to detectives, drawn on the Pleasant Hill branch of the Bank of America.

He has been signing the checks Robert L. Murphy, and using an address of someone with a similar name in Pleasant Hill.

Merchants who see this man are urged to detain him by suggesting the approval of some one else is necessary to cash the check.

Passover Season To Be Celebrated This Wednesday

The second night of the Passover season will be celebrated by the Jewish community of Central Contra Costa County with their traditional seder dinner and service at 7 p.m. on Wednesday at the Jewish Community Center building in Lafayette.

This is an annual event, sponsored by the League of Jewish Women and commemorates the deliverance of the Jewish people as told in the story of the Exodus.

The dinner consisting of all the traditional foods will be catered and served by Goodman's of Oakland.

The seder service, which is the retelling of the ancient and wonderful story by the elders to the children, will be participated in by the entire gathering. Led by Messrs. Fred Marcus and Amos Leffler, the entire community will read the story and the children will ask the traditional questions.

In an atmosphere resembling as closely as possible other family gatherings throughout the world, the Passover holiday will be ushered in.

Reservations are $3.50 per plate, but for families with two or more children, one plate for each two children may be reserved at a cost of $3.50 plus 35c for an additional table setting and dessert so that the dinner may be shared by the two children.

Mrs. Irene Frankel, YE 4-2329 may be called for reservations.

30 Firemen To 'Graduate'

Some 30 firemen—most of them new men—from the Mt. Diablo, Central, Orinda and Moraga Fire Departments will "graduate" tomorrow from a course in "Basic Use of Hand Tools and Equipment."

The 15-hour course has been under the auspices of the Contra Costa Junir College, with Ward Cockerton as instructor. It has been given in five three-hour sessions, at the Central Fire District.

Tomorrow's graduation will include fighting a fire at a burning building to set ablaze for the purpose at Walker and Sierra Drive, Walnut Creek.

By successfully completing the course, each fireman-student earns one unit of college credit.

About six of the firemen in the course are from the Orinda Fire Department.

WASTED ENERGY

Pumping an automobile accelerator pedal at a stop light is really wasting gasoline and money. Each time the accelerator is depressed, a charge of gasoline is squirted into the fuel intake manifold.

Drastic Cuts Ordered in Postal Service

Drastic curtailment of postal service is being put into effect throughout the nation for the final quarter of the fiscal year ending June 30.

As explained in a special issue of the Postal Bulletin received from Washington, D.C., by local-area post offices this week, "sufficient funds are not available to provide normal postal services" from now through June 30.

The ordered curtailments, the postmaster general's order states, will become effective as specified "unless funds become available."

Some of the curtailments ordered by the postmaster general are:

1. **COMMENCING** tomorrow, post offices will be closed to the public on all Saturdays and Sundays.

2. Effective tomorrow, all city, village and rural delivery service will be discontinued on Saturdays, except special delivery messenger service.

3. No third class mail, except certain medical items, will be accepted, effective April 29.

4. **WINDOW SERVICE** at post offices, except fourth class offices, will be limited to eight and a half hours per day, beginning Monday. These hours are to be continuous during the business portion of the day. For specific hours, check your local post office.

5. Deliveries to business areas will be restricted to a maximum of two per day, effective Monday.

6. Issuance of money orders will be suspended at all offices of the first and second class, effective April 29.

DATED LAST FRIDAY, the postmaster general's order 56314 stated that, effective last Saturday, "the purchase of equipment for the maintenance and extension of city and rural mail delivery, labor saving equipment and post office supplies will be curtailed by not less than $3 million for the balance of the current fiscal year."

For post offices where carriers wear uniforms, "reimbursement to employees for purchases of uniforms for the balance of the quarter will be suspended."

Orinda Women To Hold Wine Tasting Party

The Orinda Women's Club will hold a wine-tasting party on April 27 at the Elks Club in Walnut Creek.

Proceeds will benefit the Hungarian relief program.

Chairman of arrangements is Mrs. Noemi Leonard of Orinda.

Spring Auto Show Slated For Display April 26-27

The Spring Auto Show which was originally scheduled for last weekend has been rescheduled for April 26-27.

The show will be held as planned in the parking lot of Capwell's in Walnut Creek.

During the two day event automobile dealers from Lafayette, Walnut Creek and Pleasant Hill will have display stalls wherein will be shown the latest models of cars.

In addition to the latest production models from American manufacturers will be displays from both foreign car distributors and private sports car owners.

Here's an opportunity for you to see them all, from Detroit to Coventry, and judge for yourselves the values to be gained.

Whether it's the latest in power equipment you might be interested in, or a 4-speed syncro-mesh gear box; whether push-button diving or flat cornering qualities; whether the latest in custom upholstery or dual Webers, you'll find them all at the coming auto show.

The show will be held from 1 to 8 p.m. on Friday and from 9:30 to 5:30 p.m. on Saturday. The dates again are April 26 and 27.

The showing is open to all, and there is no admission charge.

Attorney Will Talk at AAUW

"You and Your Family Under the Law" will be discussed by Walnut Creek attorney Betsy Rahn at a meeting of the Walnut Creek Branch, American Association of University Women, Wednesday at 8 p.m.

Mrs. Rahn has been practicing law in Walnut Creek for the past five years. She is a graduate of the University of California Law School and has been admitted to practice both here and in the Territory of Hawaii.

In a similar address given recently before the Martinez Branch of AAUW, Mrs. Rahn discussed community property laws, the requirements for jury duty and other laws concerning and protecting today's family.

The meeting will be held at the Walnut Creek Women's clubhouse and is open to members.

Scheduled also for the coming week is the Mental Health Workshop sponsored by the Stockton Branch of AAUW to be held on the campus of the College of the Pacific, Saturday, April 13, from 9 a.m. to 4 p.m.

Suburbia Scribblings

By MARIE MONAHAN

We are forever toujours, 'les girls'—

"MEN ARE LIKE RECORD PLAYERS. They may play at different speeds, but are nice to have around, whether they're 33, 45, or 78." (Anon.)

And whether the man of your house is 33, 45 or 78, HOW many times has he heard you say you're "going out with the girls"?

That's what makes the feminine sex so VERY special! And we quote — in part — from a lady lecturer on Charm recently heard at a Helen Hokinson-type gathering:

"When a boy is born, complete elation heralds his arrival. 'It's a boy!' They cry! Then he grows into a bigger boy, quite like every other boy. Soon enough he becomes a young man, and finally a full-fledged MAN. In later years, he's referred to as that "old gentleman" and later on, let's face it, he's simple an OLD MAN."

BUT WITH US IT'S DIFFERENT. When we're born, "It's a darling baby girl," they exclaim, continuing to sigh and delight in our every move as we grow into little girls. Years pass and we become young girls, and big girls, and then girls, we still are long after we've stopped growing. Time passes and passes, but we are always, and forevermore, the GIRLS!

ONE OF OUR GIRLS, an Orinda mother of five, felt the joy of freedom tranquilizing her as she boarded the Claremont train for SF one scintillating springish day. She looked forward to shopping and later lunching with her husband, and knew that the children were safely in school, the younger ones at home with a sitter.

Happy lady, hummed happily to herself through three train stops. Then SUDDENLY it came to her WHY the other passengers as well as the conductor were casting smiling glances in her direction. The tune she was humming, NOT so softly — the familiar strains of "The Farmer in the Dell."

IT HAPPENS TO THE REST OF US! Another lady caught herself JUST in time as she leaned toward a strange man next to her on the train and was left with her mouth QUITE wide open impulsively ready to say, "Look at the nice choo-choo train!"

MORE ABOUT THE FEMMES: Bet you an Easter Bonnet that some of those smart hats w/the Thirties-look seem around town are NOT as new as you think. Probably haven't seen the light of day for a decade having been holed up in a closet hatbox for YEARS! Have you ever known a woman to part w/a favorite haat, esp. when she knows that if she hangs on to it LONG enough, it's BOUND to come back in style!

Saved by a honeymoon!

When Helen and Bob Kilpatrick of Dos Osos honeymooned on the desert several years ago, they found a stray sad emaciated pooch they took into their hearts and eventually back home to Orinda and appropriately named him "Honeymoon."

Last week, Honeymoon, who has grown into a lovable, well-groomed and well-fed pet, showed his thanks and appreciation by suddenly HOWLING like mad in the driveway, where Helen, turning around, found the dog intercepting a 5-button rattlesnake. The HERO of the household is currently enjoying a bountiful supply of beefsteak and bones!

The Kilpatricks have a stunning "HOUSE BEAUTIFUL" high above El Toyonal, practically hand-crafted by themselves . . . Bob is an engineer w/the Radiation Lab at UC and "Lefty," that being Helen's nickname, is a sculptress of note.

THE MALE DEPT.: There's a new Dentist, Artist and Bachelor in our midst — all in the same person of one Dr. Richard Morton, formerly of Washington, who opened offices recently on Vashell Way — the waiting room is a one-man Art Exhibit, paintings being the original canvases by the doctor himself, who has been awarded two scholarships by GE, another by the Sorbonne. Middlecoff may golf, but Morton CAN paint!

AND STILL THE MAIL DEPT.: Letter from a male reader — "We don't always understand what you're talking about, but we sure do enjoy it anyhow!"

Thank you, Sir! That explains it. We don't always understand what we're WRITING about, but we sure do enjoy it anyhow, too!

And another kind note — "You make us all sound like Movie Stars. What would you do w/the Movie Stars?"

We'd make them all sound like YOU.

QUIPS OF THE YOUNG TONGUE . . . Young horsey lass returning home from her riding lesson at the Grizzly Stables, recited among other things she'd learned, that "horses can get barnsour as well as pasteurized."

And another talkative little tyke inquired of his mommy — "How do the cow make HIS homodernized milk?" — Well, now, How do HE?

One young Orinda Miss, attending a musicale w/her Mama, begged to know if there'd be time for Cokes during the 10-min "intermurals." (Sic!)

More to it than Emmies & Oscars

CONGRATS to Pat Quinn, Miramonte student, whose "Fruit Flies" project and radiation experiments involving tedious charts, drawings and reports, won for SECOND place honors in the 10th grade biology division at the recent Science Fair in SF.

TWO PEELINGEST NOSES in town belong to Pete and Grace Duffy, who spent all of last week skiing in the sun at Edelweiss.

INCOME TAX EXEMPTIONS: The Lilliputian Lemonade Stand that advertised last Sunday along a local byway, "LEMONADE — 1c a glass of 3 glasses for 5c." That's how Milliardires are made!

The Camino Don Miguel home of the John Gillivans will be the late afternoon setting for the "Okole-Mulna" party to be given by the Santa Maria Women's Club on Sunday, April 28. Kitty and John, who have a sizeable family, will depart adeux to the Islands for a 3-week vacation in May.

TIE-IN ON TELEGRAMS . . . When you wire Easter greetings or flowers by local WU at CL 4-2132, DO mention the Orinda Mothers Club, which receives something like 6 cents on each wire. The monies in turn go toward purchases of school equipment, books, etc.

MUM expert Rita Bowersox will not keep MUM about HER hobby when she guest-garden talks on "Mum Magic" May 15 at the Owl Hill residence of Marguerite Jackson . . . The affair, to benefit "Enchanted Hills" Camp for the blind children, will be a "shop for your garden" party by Orinda Auxiliary members. AMONG the prizes, a Japanese mum of gargantuan proportions, 14-inches wide, 9-inches deep. Call CL 4-3402 or 4-5729 for tickets at one dollar!

SIGN ON KINGS, Lafayette, marquee puzzled us last week, reading "SGNIKDOOF" in high neon letters. Well, it doesn't mean Bargain in Balinese. We figured it out and if you DIDN'T, SGNIKDOOF spelled backwards is Food Kings. It HAD us for awhile!

BIRTHDAY PARTIES COMING UP on the May calendar? Here's a suggestion from Lid Miles, director of the Thespians, Pine Grove drama group. The favorite "Caddie Woodlawn" and her rollicking adventures as a frontier child are coming to the stage of Orinda School auditorium Saturday, May 4, two performances, 10:30 and 2! For early reservations, call Barbara Bergen, CL 4-4257.

MYTHICAL CAKE SALE by the Acalanes Parents Club is now in progress. The money raised will provide college scholarships for Acalanes students. With a real cake, a symbolic dollar-sign and a telephone all helping to symbolize the campaign, these three women are among the many working on the drive — left to right, Mrs. Karl Schevill, Mrs. Jack Moylan and Mrs. Charles Coburn, general chairman of the sale. Acalanes Parent's Club Selling Imaginary Cakes

Imaginary cakes are being sold to the parents of Acalanes High School students to provide real scholarships for deserving graduates.

The sale is well under way and will close next Friday.

According to the general chairman, Mrs. Charles Coburn, the returns are good so far.

The idea for this mythical sale was original with an Acalanes Parents' Club member, and has been successful for beyond expectations.

Instead of cakes being made and sold at a central location, as in the past, each set of parents of a student attending Acalanes is contacted and asked to donate $1 for a mythical cake.

Assisting Mrs. Coburn in a house-to-house canvass are:

Episcopal

Holy Communion will be celebrated at 8:00, 9:00 and 11:00 a.m. on Palm Sunday at St. Paul's Church, Walnut Creek, with the Rev. Wilfred Hodgkin preaching at 9 on "Battle Hymn" and the Rev. Jack Livingston preaching at 11 on "Triumphal Entry." Evening Prayer will be conducted at 5 p.m. in the chapel by Mr. Garret Conklin.

Holy Week celebrations of the Holy Communion are scheduled Tuesday through Thursday at 6:30 a.m., Monday through Thursday at 11 a.m., and on Maundy Thursday evening at 8 o'clock in commemoration of the institution of the Holy Communion at the Last Supper.

At the latter service the Rector will preach on "The Great Thanksgiving," and at the close of the service will prepare the church for Good Friday, symbolically going with our Lord and the Disciples to the Garden of Gethsemane.

During the three-hour devotions on Good Friday, from 12 noon to 3 p.m., the Rev. Jack Livingston will deliver meditations on the five major events, arrest, trial, mockery, toil and crucifixion, of the first Good Friday.

The offering received at this service will go to the church's work in the Holy Land.

Lutheran

"Ride on to Die" will be the sermon topic on Palm Sunday as preached by Pastor Albert S. Hidy Jr. at the Shepherd of the Valley Lutheran Church in Orinda.

New members will be received into the church on Sunday at the 11 a.m. service.

Regular worship services are held at 8 and 11 a.m.

Acalanes District Awards Contract for Expansion

Acalanes High School District Trustees have accepted a low bid of $119,507 for construction of four classrooms and additional locker and shower facilities at Acalanes High. Fred von Guenthner Company won the contract.

Trustees also approved purchase on bid of $20,557 for school furniture for additions being built in the District and scheduled for completion by September of this year; and purchase of three 67 passenger school buses by Gillig Brothers on a low bid of $13,249 per bus.

The board authorized the district to call for bids for construction of additional classrooms, a music building and enlargement of the cafeteria at Las Lomas. Bids are due May 9. It approved plans for 2100 seating capacity bleachers on the Miramonte athletic field and the forwarding of plans for additional Miramonte shower and locker facilities to the State Division of Architects for okey.

Trustees discussed the type of shop program to be instituted at Miramonte High and the kind of shop facilities that should be provided at this stage of the school's growth.

Board members probed the possibility of providing a basic shop for shop orientation and electrical work that would parallel the Miramonte science program.

School Trustees received the Acalanes Education Association, District teachers' organization, request for salary adjustments. It asks for a revision of the present schedule to allow $4400 as a starting salary for teachers with five years of college, and $8500 for teachers with six years of college and thirteen years credited experience, continuing on a decelerated increment to $9100 for teachers with 19 years credited experience and six years of college. No action was taken on the request at this time.

David Stewart, Acalanes Dean of Boys on leave of absence to the University of California submitted a formal resignation from the Acalanes District. Stewart has been at Acalanes nine years prior to the current year's leave of absence.

Kiwanis Club Cites Religious Art Winners

Las Lomas High School art students Marcia Westerman and Michael Herr have been named top winners in the Walnut Creek Kiwanis Club's fourth annual Religious Art Contest.

Contest themes were "What My Church Means To Me" and "The Church Points The Way."

As first prize winner in the Intermediate group, Miss Westerman received a record player. As second prize winner of the same group, Michael Herr won a Parker pen and pencil set.

Honorable mention award winners for the Intermediate group were Doug House and Nikki Robinson.

Winners of honorable mention in the Senior division were Las Lomas students Bob Sagerdell and Frank Fribley.

Winning paintings will be on exhibit in a Main Street store for several weeks.

Gala Egg Hunt Slated Sunday At Meadowbrook

Easter Sunday at Meadowbrook Golf Club in Reliez Valley will be a day of delight for the children of members and guests.

The adult population of the club will not be limited entirely to vicarious enjoyment of Easter Bunny antics. A gala Hunt Breakfast will be served on the club terrace at 12:30 p.m. Mr. and Mrs. Wendell Kiltz as chairmen of catering are planning a sumptuous buffet table.

After the buffet meal, the hunt for Easter eggs will be arranged by Mr. and Mrs. Arthur Landers and their committee. Also directed by the Landers' group will be games for the subteen-age group at the party.

Remembering that the grounds of the club slope from the terrace down to the swimming pool area, the games committee may inaugurate Easter egg rolling on the clubhouse lawns.

Mr. and Mrs. Frank Haygood have sent invitations for the approaching brunch and are preparing to receive reservations for the family parties. Already the day looks so promising that Mr. and Mrs. F. J. Peyton, general chairmen, have required additional members on the Easter committee. They include: Messrs. and Mesdames Clifford L. Grant, Philip H. Dirkes and Ray Davies.

The Easter Brunch will be one of the larger parties of the first year of existence of Meadwobrook Golf Club. Although the organization and location of the club on Reliez Valley and Grayson Roads originated in the minds of a group of Bay area men as long ago as 1954, the actual physical existence of the club was not consummated until June 1, 1956.

Matadors Get 6 At El Cerrito

Miramonte High is coming up in the track world, as witness the fact that the Matadors were the top-scoring Bee team from this end of the county in the El Cerrito Relays last Saturday.

They copped 6 points when they ran second in the mile relay. Cliff Aberham, Doug Moorehead, Bob Tesman and Dixon Farmer ran a 3:43 race, with Washington High of San Francisco tops with a 3:38.

Miramonte has only freshmen and sophomores. The Orinda lads should make quite a quartet two years hence!

Washington High School took the Bee meet with 42 points.

Only other local high school to take points in the Bee section was Pittsburg with 2.

In the varsity division, Berkeley with 41 points edged El Cerrito, which had 40.

Mt. Diablo wound up in fifth place with 16. Pittsburg was 10th with 6, while Acalanes was 20th with 2. Alhambra of Martinez was next with 1.

Championship Skiing Gives Weekend Thrills

By VI WHITE

The North American Championships at Squaw Valley were very exciting to watch last weekend. The Downhill Saturday proved interesting with the built-in jumps and tricky snow over the two mile men's course, and several bad falls resulted.

But those who finished (only 19 or 34) had very good times with Toni Sailer, the Olympic champ from Austria, winning with a time of 2:07.3; nine seconds faster than his nearest competitor. The women's run was considerably shorter but, just as treacherous and several of the competitiors were injured. Carla Marchelli, an Italian, won the event with the time of 1:34.8. Sunday the Slalom was run on KT 22 over an icy course in full view of the thousands of spectators.

CHRISTIAN PRAVDA of Austria and former teacher of Toni Sailer won the event for the men, but Sailer had the best combined time and was victor of the weekend in the men's division.

American Betsy Snite of Vermont captured the women's slalom, but Patsy Frandl of Austria was awarded the combined championships.

This race showed that our American racers are good, but need a lot of training to beat the champs from other countries.

Larry Passell and Julian Potashnick of the Walnut Creek Ski Club were at Squaw Valley viewing the race and also saw Jill Kinmont who is confined to a wheelchair after being paralized from a skiing accident a few years ago.

The beautiful blond girl was to have been on our Olympic team. She can move slightly and has wonderful courage.

OTHERS WHO joined the Walnut Creek club for their first outing were Ceil Ramsey and family, Bob Sherman, his wife and cousin, Bill Powell and his wife, Floyd Markes, Skippy Baxter, Neil and Ellen Rose, Lois and John Knox, Mrs. Weil and her daughter, and Pat and Skip Walters.

They stayed at Beacon Hill Lodge on Hiway 40 and had a wonderful time getting acquainted. Sugar Bowl and Soda Springs slopes were picked by the group.

Bob and Don Lockey were skiing at Dodge Ridge over the weekend and had a marvelous time.

Also supporting a skiing tan from being at Dodge is Lois Danforth, of Lafayette.

THIS WEEKEND the Oakland Ski Club is hosting a Junior Meet for member's children and their guests. The lodge will be teaming with activity and fun planned for the youngsters. The race will be held at Donner Ski Ranch Sunday.

Several resorts are scheduling activities for the Easter Week group and many school and college students will be participating.

Tom Leonard and Chuck Jones will be guests of Charlie White at his Donner Lake cabin.

Candy and Marshia Jacobs of Orinda are spending a week at the Oakland Ski Club Lodge.

GAILY DECORATED straw hats will be the colorful part of the ski outfit next week, so if you are planning to go, get yours fixed up and maybe you will win the prize for the most original.

Photographer Bill Crouch of Walnut Creek recently had a picture story in Parade of how the ski patrol takes care of an accident on the slope. Very-very good. Skiers on the patrol do their best to help prevent injuries too.

'Spring Fling' Will Give Aid To Scholarships

"Spring Fling" will again be the theme of a dance for the benefit of the Diablo Area Scholarship Fund, sponsored by the local committee of the California Alumni Association.

The affair will be held Friday evening, April 26, at the Walnut Creek Holy Ghost Association Hall on Boulevard Way. Dancing will be to the music of Bill Peterson and his band.

The organization, which has more than 100 sponsors, raises money for freshman scholarships to the University of California.

THESE ARE AWARDED to graduating seniors from the Acalanes, Mt. Diablo and San Ramon High School Districts.

According to Donald Reichert of Lafayette, chairman of the Diablo area group, the committee hopes through this dance and other activities to keep pace with the increasing need for scholarships by financing several additional awards this year.

COMMITTEE CHAIRMEN for the event include Bud Karvelis, Concord, tickets; Francis Tobias, Orinda, promotion; Virginia Rei, Lafayette, decorations; Dr. Lloyd Scott, Walnut Creek, arrangements, and Dick David, Lafayette, publicity.

Tickets may be obtained from the aforementioned or the following committee members: Mel Arighi, Mrs. Thomas Barrows, Orinda; Bill Zion, Sydney Anderson, Lafayette; Laura Odell, Kathryn Taylor, Fred Vann, Walnut Creek; Dr. Ben Dykes, Alamo; Bill Dochterman, Pleasant Hill.

Knights Defeat Dons in 2-1 Thriller

Pitching Duel Marks Close Game

The Las Lomas Knights put together a timely hit and some clutch pitching to drop the Acalanes Dons in a league ball game played at Walnut Creek Tuesday, by a 2-1 score.

The Dons drew first blood in the second. With one down, the leftfielder was on via an error by Second Baseman Bob Morris. First Baseman Jim Dinkel drew a walk, and the bases were loaded when the second baseman arrived safe at first.

Shortstop Terry Yeager blew the try.

Gary Hahsen hit a single, to score Combs, and the rally stopped short when Pitcher Steve Jordan was out, pitcher to first.

THE DONS HELD on to their one-run margin as Jordan for Acalanes and Don Hopkins for Las Lomas pitched shutout ball in the third and fourth frames.

Jordan went out for Mike Kritscher in the fifth, as did Hopkins for Joe Sibley.

It was the bottom of the fifth when the Knights came through with what proved to be a pair of winning runs.

YEAGER SINGLED on a roller down third as leadoff man. Kritscher then struck out the next two batters, only to put Centerfielder Doug Potter on when he hit him. Catcher Dick Dodge was the come-through player when, with two strikes, he hit a drive to right field. The ball was bobbled by Jordan and two runs came in.

Kritscher whiffed his third batter of the inning when he struck out Roger Cowell, but the damage had been done.

THE CLIMAX came in the final inning — in the top of the seventh, when the Dons loaded the bags with none out.

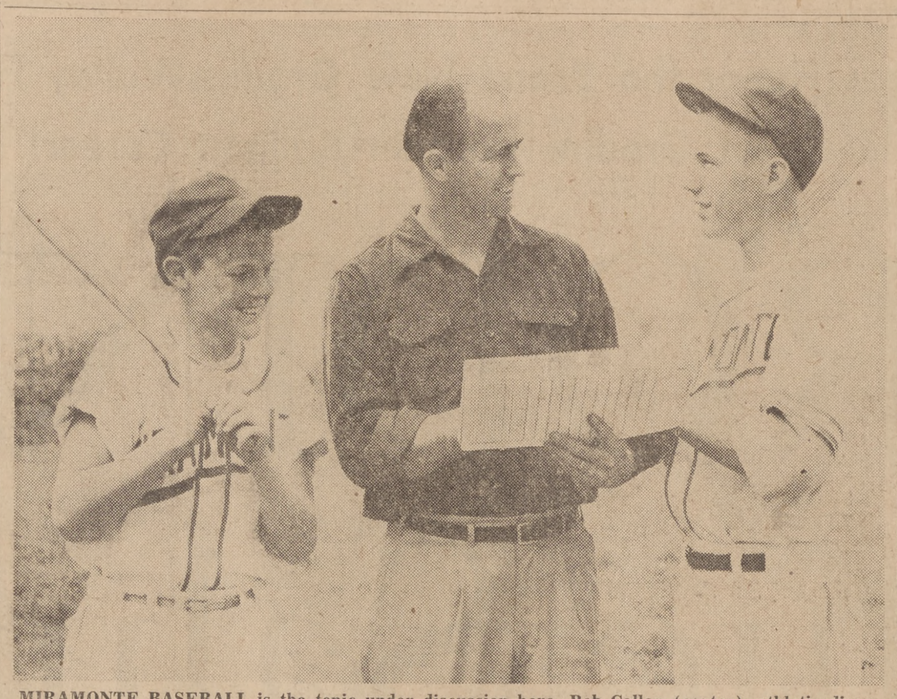

Dinkel and McMeans singled, and Hansen walked, to load the bags. Jordan struck out. Gene Vincent, pinch-hitting, whiffed. Catcher Larry Smooth lofted a high ball behind third, and Terry Yeager came over from short to take it for the final out.

The Dons had five hits to three for Las Lomas. Each club committed one error.

THE DONS LEFT eight men in bases, to four for Las Lomas. In strikeouts, Las Lomas had seven against them, while six Dons went down.

Dodge went the game behind the mask for the winners, while Smoot relieved Dave Bojarsky in the fift hfor the Dons.

George McMeans was the game's top hitter with two singles in four times at bat.

400 Expected For Lafayette Youth Baseball

The Acalanes High School baseball diamond will be a scene of great activity tomorrow as almost 400 young baseball players turn out to meet their managers for the first time.

By far the greatest number of boys to be turning out will be those in the 9 and 10-year-old group, who are expected to be on hand at 9 a.m. Boys 11 and 12 will report at 11 a.m., while the 13 through 15-year-olds will meet with their managers at 1:30 p.m.

Bob Klittgard, commissioner of the younger group, which calls itself the Minor League, reports that it is expected that the basic teams will be formed tomorrow. At a meeting of coaches next Wednesday in Room 205 at Acalanes High School all teams will be made up.

IT IS EXPECTED that Jim Pangburn, commissioner of the Major Leaguers, the 11 and 12 year-old group, will work out a similar method of forming teams with his managers.

At present, the older group has not made too many plans. Being a brand new group, it is not known just how many boys will sign up.

One reason Commissioner "Red" Gillham gives for this is because of a statewide ruling that those boys playing high school baseball may not participate in outside play until after the regular high school season.

WHILE MANY of the boys have signified that they will play, Gillham cannot be sure until late in May or the first of June. It is believed, that at least four teams will be matched in league play.

The Lafayette Youth Association, in charge of the leagues' operations, believes that play will be much better this coming year. In 1956, the first year of operation, many problems were encountered. Although patterned in great part after the Walnut Creek Recreation Department leagues the lack of a paid recreation department and of its monetary backing were keenly felt.

THE LAFAYETTE GROUP is manned strictly by volunteer help, who spend many evenings in setting up the program and then manage teams throughout the summer months.

There is a great need of more volunteer help. The principle by which the association operates is that every boy is given a chance to play. Unlike many leagues, which have tryouts and then eliminate all but the best, the association believes in playing all boys.

In order to give the youngster this chance, many teams with small rosters must be made up, which, of course, requires many adults to act as assistant coach or coach. Fathers are needed to volunteer to any of the commissioners on the field tomorrow.

Pleasant Hill Beats Pacifica By 3-1 Score

The Pacifica Spartans made a game of it Tuesday afternoon, but the pitching of the Rams' Mike Mayne, plus errorless ball in the field, along with some timely hitting, proved to be too much for the home club, and the Spartans went down, 3-1.

The win was the fourth in a row for the Rams and kept them in the top spot all alone as the circuit's only undefeated club.

After a scoreless first inning both clubs tallied in the second frame, with single runs crossing the plate.

THE RAMS' third baseman, Gary Scott, led off the inning with a single to left. Centerfielder Mike Slusser followed with an out when he flew out to third on a attempted bunt.

Two were down when Leftfielder Dave Bartels banged a high fly to center.

First Baseman Ray Dameral was next at bat, and when he was hit by the pitcher, and Catcher George Adams walked, the bags were loaded.

Pitcher Mike Mayne drew a base on balls, forcing in a run.

It all ended when Rightfielder Jerry Silva grounded out, pitcher to first.

IN THEIR TURN at bat, Pacifica shortstop Larry Maxwell walked, and then Ron Peters popped up to the catcher, George Adams.

Wally Coffman hit a double play ball to Second Baseman Jack Ulrich, who froze in the clutch and threw into left field on the force attempt at second. Maxwell raced to third and Coffman held up at the initial sack.

Pacifica's centerfielder, Ray Andrews, hit one on the ground to Pitcher Mayne, and when he threw to first for the out, Maxwell scored.

That ended the scoring for Pacifica for the inning — and, as it turned out, for the game.

THE RAMS, scrapping to stay at the top of the league, came back swinging to score run number 2 in the top of the fourth.

With one down, Dameral reached first on catcher's interference, with Bartels going to second on the play.

Adams grounded to third, forcing Bartels, Mayne then hit a good single, to score Dameral from second.

The Rams' final run came in the seventh. Silve started the inning with a single, reached third on a walk and bunt, then came in when Third Baseman Gary Scott cracked out a single.

MAYNE WENT the rout for the winners, giving up three hits, striking out 13 and walking six.

Burton, in going the distance for the losers, gave up six hits and walked five.

Pacifica had three errors to none for the Rams.

Racing Title Goes on Block At Speedway

Boz Caswell, former Walnut Creek hard top driver now racing out of Oakland, will open the defense of his Bay Cities Racing Association championship Sunday afternoon at Contra Costa Speedway.

The former Walnut Creek electrician scored 1082 points in last year's competition.

Time trials will get underway at 1 p.m., according to Jack London, BCRA business manager, and Frank Blado of Pleasant Hill, who are leasing the local speedway from Gene Marsh, Walnut Creek owner.

Doc Payne of Concord and Jack Claytons of Pleasant Hill head the list of county drivers on the BCRA roster.

Dons Nab Three-Way Track Meet

The Acalanes Dons played host to the Alameda and Miramonte track teams April 4, and the meet proved to be a good one, as records fell and best marks and times of the year were set.

The Dons ran away with the varsity meet as they scored 91½ points to Alameda's 47½, while Miramonte, with very limited varsity timber, failed to score.

In the Bee events the Dons scored tops again, with 60½ points, followed by Miramonte with 51½, while Alameda had 32.

TOP RECORD-BREAKER of the afternoon was Miramonte ace Dixon Farmer, who has made a habit of pretty well dominating whatever he enters

Farmer set new stadium marks when he rolled over the 70-yard low barrires in 9.3 and topped the field in the 150-yard event with a time of 15.1.

Another mark fell by the wayside when Leo MacFarlane "poured on the coal" in the 1320-yard run, to stop the clocks at 3:28.6.

IN THE VARSITY meet the Dons swept one event, the pole vault, when it ended with four Dons in a tie at 11 feet, 6 inches. The points were divided among Mike Latone, Dave Williamson, George Hearne and Kent Grigg.

Dons copping first with the county's best marks this season were Larry Pilcher, who outran the field in the 440 with a 51.0, shotputter John Cadwell, who heaved the shot 52 feet, 7 inches, and Carl Lincoln in the high jump with 5 feet, 11 3/8 inches.

Miramonte had winners in the 660, with Bob Tesman in 1:29.4; in the pole vault, with Bicky Clifford at 9 feet, 8 inches, and the broad jump, with Dixon Farmer at 19 feet, 9½ inches.

Miramonte also won the 440-yard relay in 48.3.

Meet results were:

Kaiser Foundation Jinxes and Jan's Hold First Places

Kaiser Foundation Hospital took three points from Fred Kelleway Hardware to hold first place. Kelleway Hardware is now tied with O'Hara's Trophies for second. Ace Awning Co. took one point from Tiny's Hut to move up to third.

Roy Richie of Kaiser had high game and series with 234, 203, 128 for 565.

BELLES AND BOUYS

The Jinxes took three points from Nohams to retain first place. The Five Marks retained second place by taking three from Bloopers. The Strikers moved up to third by taking four from the Duds.

Sylvai Mackay rolled high game of 203 for the women. Pollie Goble had high series for the women with 170, 158, 177 for 505.

Jay Sims of Bloopers scored high games of 197, 155, 199 for 551.

AUTO DEALERS 750

Jan's Jewelers took three points from Monsanto Chemical to hold first place by eight points. Johnson Drywall retained second by taking only one point from Tunnel Motors, while Tri-City dropped to a third place tie with Parker Robb Chev.

Bob Scrimiger of Tunnel Motors bowled high game of 223 and Chuck Herman of Cappel Pontiac high series of 216, 202, 150 for 568.

FLYING A LEAGUE

By dropping all four points to the Octanes, the BS&Ms went down to fourth spot in the league. Top spot is shared by the Distillations and Inspectors, both with 26-10 won and lost. They are followed by the Engineers with 26-14.

Knights Win 'A' Events In Richmond

The Las Lomas Knights won the class A swimming events against Harry Ells High School, April 3 in the Richmond YMCA-YWCA swimming pool.

The Knights won four individual events in class A. Winners were Foster, 50 yard freestyle, Weiler, 100 yard breaststroke, MacVean, 200 yard freestyle and Biggs, 100 yard backstroke.

Harry Ells swimmers won the B and C competition, but Jerry Hunt of Las Lomas won the 50 yard backstroke in the "B", and Gary Ewell the 75 yard individual medley.

Diablo Thinclads Score Double Win over Knights

Track Coach Hart Fairclough's Diablo Red Devils met up with the Las Lomas Knights the afternoon of April 4 at Diablo and rolled to a 79½-33½ varsity win and held a 92½-19½ advantage in the Bees.

One of the meet's highlights was the work of weightman Bill Gainer, Diablo senior, who heaved the iron ball 51 feet, 1 inch, and who made it a double win when he tossed the discus 120 feet, 10 inches.

Mike Redfield was another two-time winner for Diablo as he copped the broad jump at 19 feet, 8 inches, and then shared first in the high jump with teammate Dave Johnson when both cleared 5 feet, 7 inches.

THE DEVILS swept the 180-yard low hurdles when Ron Cataldo ,Garey Casey and George Darrow finished in that order. The winning time was :21.0.

The Las Lomas Knights had a two-time winner in Pete Ostrom, who took the 100 in. 10.3, then came back to breast the tape in the 220 in 22.5.

IN THE BEE events it was pretty much all Diablo as the Devils swept 12 out of 13 possible firsts.

Las Lomas had a lone winner in Hazlett, who toured the 330-yard event in 39.8.

Diablo's Rich Tonetti and Rudy Omania took six first places between them.

TONETTI took the 70-yard high hurdles in 10.4, the pole vault at 9 feet, 6 inches, and then won the 120 lows in 14.9.

Omonia was in rare form as he took the 75-yard wash in 8.1, the 150-yard event in 15.9, and then won the broad jump with a leap of 17 feet, 4 inches.

Complete meet results were as follows:

120-HH: Casey, MD; Johnson, MD; Wurschmidt, LL, 16.0.

Devils Edge Knights in 9 Innings

The Las Lomas Knights traveled to Concord April 4 to play the Diablo Devils in a league ball game, and it turned out to be a jim-dandy as it went two extra innings before Diablo copped the win, 10-9.

The Devils held a 2-0 advantage at the end of three innings, only to have the Knights capitalize on hits and errors, to take the lead in the fourth when they scored three runs.

Both clubs scored single runs in the fifth, and then Diablo came back to take a 6-4 lead when they scored three in the bottom of the sixth.

THE KNIGHTS were down but not out as, paced by a home run by Roger Cowell in the seventh, they registered five runs, to go ahead 9-6.

Diablo came back with a home run with two on in the bottom of the seventh by All-County Shortstop Art Pargament, to tie the ball game up.

It was 0-0 in the eighth, and Diablo finally decided the issue in the ninth when a walk, an error and a sacrifice fly by Centerfielder Steve Bordi scored the all-important run from third.

EACH CLUB wound up with five hits, and in the error column it was Las Lomas, 8; Diablo, 7.

Each club used four pitchers. Batteries were:

Diablo — Shetz, Lloyd (4), Marshall (4), Lichti (6) and Stafford.

Las Lomas — Sibley, Hopkins (6), Cowell (8), Hopkins (8) and Dodge.

Lady golfers at Orinda Country Club recently had a "Red, White and Blue Tournament."

The "Red" team won with a total of 1162 points. The players on the "Red" team were as follows:

Mesdames L. W. Hagstrom, J. N. Walker, J. P. Thomas, A. B. Tanner, T. Carlson, C. M. Johnson, D. S. Carter, F. F. Fee, G. H. Parker, G. A. Jostes, E. C. Bergen, J. E. Stone, J. C. Polhiard and J. H. Tyson.

San Ramon Varsity Track From PH, Swett

San Ramon played host in a triangular track meet with Pleasant Hill and John Swett April 4, and the home team wound up on the long end of the varsity score — 82¾ points to 43 for the Rams and 14¼ for the Swett Indians.

In Bee competition the Crockett team rolled up 64 points, to outdistance the field as San Ramon had 39½ and Pleasant Hill had 36½.

John Reid was top scorer for the Wolves' varsity, getting a first in the 100-yard dash in 10.1, taking the 220 in 22.8 and copping the broad jump with a distance of 20 feet even.

Pleasant Hill had two firsts, with Dan Ipson running 55 flat in the 440 and Lou Salazar taking a mythical blue ribbon in the 180-yard lows with a time of 20.4.

In the lightweights, Pleasant Hill had a two-time winner in Charlie Drake, who negotiated the 70-yard highs in 10 flat and the 120 lows in 15.0 Warner of the Rams took the 330 in 40.3.

St. Mary's New Swim Team Bows To Sacramento

St. Mary's College has opened with a new sport this season in swimming, and as a result has had an uphill paddle.

They have made a creditable showing to date, and a meet last Friday found them losing to Sacramento Junior College, 50-27.

The meet, held at the St. Mary's pool, found three pool and three school records going by the boards, according to student coach Dick Clark.

School marks came in the 60-yard freestyle, when Schubert (SM) swam the event in 0:34.0; the 90-yard freestyle, when Hisatomi (SJC) won in 0:59.2, and in the 240-yard medley relay, which Flaherty, Casci, Clark and Schubert (SM) won in 2:19.3.

Pool records came as follows:

90-yard butterfly — Layton (SJC), 1:06.0.

Diving — Cox (SJC), 118.60.

240-yard medley relay — Trimble, Lumsden, Hisatomi, Cox (SJC), 2:43.0.

Pirates Beat Acalanes, 4-1

Steve Jordan threw a four-hitter for Acalanes against the Pittsburg Pirates on April 4 but it proved to be of no avail as his teammates collected but two safe hits and the Pirates copped the win, 4-1.

The game, played at Acalanes, found the Pirate nine taking the lead in the third inning when they put together a hit batter, an error, a walk and a fielder's choice to cross home plate with three runs.

The Dons' lone tally came in the sixth when Rightfielder Dennis Combs found one to his liking and parked it in left field for a home run.

Pitt came back to match it when they scored in the top of the seventh. Pitcher John Fields led off with a triple to right center and scored on a pass ball.

Fields of Pitt struck out nine, while Jordan set down eight.

Knight Swim Team Wins A, B Competition

The Las Lomas Knight "A" and "B" swimmers defeated Piedmont High teams last Friday.

In the "A" competition, the Knights took all but one of the first places. Class A winners were Biggs, Strand, Weiler, MacVean and Staley, and both relay teams.

The medley relay team set a new pool record time of 1:55.2, breaking the old record of 2:01.0. Team members are Strand, Weiler, MacVean and Biggs.

The Class A victory was by a score of 60 to 12, and class B was by 39-27.

School officials say rival coaches have commented favorably on the "depth" of the Las Lomas squad, due partly to the practice of Coach Edward Leach of looking for members during the summer when the Las Lomas pool is open to the public.

In several instances, promising seventh and eighth graders have been invited to work out with the high school team in order to increase their stamina and ability in future years.

John Ostrom, a Parkmead eighth grader, has been swimming in the "courtesy lane" this year, and won a first in the B competition with Piedmont.

There is a large turnout of prospective swimmers each spring, and Leach takes care that they are given every chance to become valuable team members.

The team will compete in the North Coast meet in May.

Diablo Scout Council to Hear Peaslee

Keith K. Peaslee, national director of Boy Scouting Service, will be the guest of the Mt. Diablo Council on Tuesday. He will conduct a series of training conferences related to the program of Scouting.

Peasley became a Scout in 1922 at Springfield, Mass., when he was 12 years old, and advanced to Star Scout rank.

He served as a volunteer leader, as an assistant scoutmaster, scoutmaster and neighborhood commissioner. On the staff of Camp Sherman, Brimfield, Mass., for five years he served as hike leader, provisional unit leader, assistant camp director in charge of program, and finally as camp director.

He is a graduate of the 41st National Training School for professional leaders in Scouting, conducted in 1934 at the Schiff Scout Reservation, Mandham, N. J. Following his war services, he attended the eighth Advanced School for Scout Executives.

His first professional post was as field executive at Montclair, N. Y., from 1935 to 1937, when he was selected scout executive at Herkimer, N. Y.

Two yearse later he became Scout Executive at Glens Falls, N. Y., remaining there until April, 1943, when he joined the Army Air Forces. After serving in India and Okinawa, he was honorably discharged as a master sergeant.

Resuming his career in Scouting, he was Scout Executive at Middletown, N. Y., from January 1946 to September, 1948, when he became a deputy regional Scout Executive of Region II. He was promoted to his present post in June, 1952.

He is a native of Portsmouth, N. H.

In an effort to meet the service needs induced by the eremendous growth in membership, the Mt. Diablo Boy Scouts of America announced that Robert B. Jackson of 2718 Eastgate Avenue, Concord, will serve as an assistant executive in the Meridian District.

The District includes the communities of Pleasant Hill, Walnut Creek, Danville, Lafayette and Orinda.

For the past seven years Jackson has conducted a private practice as a doctor of chiropractics in Concord. The practice will now be handled by an associate.

He has participated in a number of civic, church and community activities and projects in Concord in recent years. He has been active as a volunteer leader in Scouting, especially in conducting training courses for Cub Scout leaders.

During World War II he served in the U. S. Army.

Alpha Xi Delta Unit to Attend Two Gatherings

Diablo Valley Alumnae of Alpha Xi Delta Sorority will hold their April meeting Monday at 8 p.m. at the home of Mrs. C. J. Artero, 553 Verona Street, Danvilel.

Acting President Mrs. Robert R. Gammon urges all members to attend in order to sign the National Charter for Incorporation, and to elect the nominating committee for the spring elections.

All Alpha Xi Deltas in the area wishing further information about the alumnae group may call Mrs. Joseph J. Smith Jr., VErnon 7-4427, or Mrs. William J. Bolce, AT 3-6776.

ALL BAY AREA active and alumnae Alpha Xi Deltas will celebrate Founders Day on Sunday at 1 p.m. at the Villa de la Paix in Oakland.

The sorority was founded in 1893.

Toastmistress will be Mrs. J. Fenstermacher of Alameda. During the candlelight ceremony the "Order of the Rose" signifying 50 years' membership in the sorority will be presented to Mrs. Wallace Kidder of Berkeley by Mrs. Harry W. Kelley, national third vice-president.

The girls from the active chapter on the University of California campus will present the entertainment.

RESERVATIONS chairmen are Mrs. James Fritz of Berkeley and Mrs. Gammon, AT 3-3624.

Those making reservations from this area are Mesdames Phillip Chance, Marechal Duncan, A. C. Weber Jr., Glenn Vivrette, Ted Newman, Robert Gammon, William Bolce of Lafayette; G. Austin Shepherd, Carter Miles, Gordon Hughes, Robert Fugazi of Walnut Creek; C. J. Artero, Joseph Smith Jr. of Danville; H. D. Burkhard and Robert Smith of Concord; Jay Forni, David Barton and John Dorr of Orinda.

The local group's donation to the national philanthropy, the Save the Children Federation, will be a check for $50. This will be presented at the Founders Day luncheon. The Save the Children Federation helps care for the underprivileged children in the Southern Appalachian area.

Sorority Meets, Hears Speeches On Music, Art

The Tau Omicron Chapter of Beta Sigma Phi met on April 2 at the home of Mrs. John Page, 3396 East Terrace in Lafayette. Co-hostess for the evening was Mrs. Thomas Beaudet.

The program for the evening was presented by Mrs. Raymond Ferrari, "Enjoyment of Music," and Mrs. Beaudet, speaking on "Sculpture and Painting."

The Ways and Means Chairman, Mrs. Robert Sayles, gave her report on the recent cake sale, which was given for the benefit of the Lafayette Community Center.

Elections were held recently for the officers of the 1957-58 year. The new officers are:

Mrs. Richard Gommel, president Mrs. Thomas Beaudet, vice-president; Mrs. Robert Sayles, recording secretary; Mrs. Orton Bergren, corresponding secretary; Mrs. Chris Kallimani, treasurer; Mrs. Raymond Ferrari, extension officer.

Installation ceremony will be held April 30 at the Beta Sigma Phi Founder's Day commemoration.

The next meeting of Tau Omicron will be on Tuesday at the home of Mrs. Martin Rockey, 220 Los Banos Avenue, Walnut Creek.

Helen Weisner, vice president of the Mt. Diablo Council of Beta Sigma Phi, will be present to explain the functions of the Area Council.

Post Office Has Stolen Mailbox Is It Yours?

If you are wondering where your mail box is, you may be the person H. T. "Doc" Crandell is looking for.

"Doc" is postmaster of the Lafayette Post Office, and he has in his possession a brand new mail box without any name on it that was apparently torn from its mountings in front of some one's home.

The errant mail box was discovered in the trash can at St. Mary's College and turned over to the Lafayette postmaster for safe keeping.

So, if you are missing a mail box, and can identify it as yours, stop by the Lafayette Post Office anytime before 6 p.m. Monday through Friday, or before noon on Saturday.

A Teen-Age Problem Here? Responsibility Is Ours

Good law enforcement is something we all take for granted . . . it's good as long as nothing happens.

When there is little or no trouble, most of us don't stop to think that we have active law enforcement officers constantly maintaining peace and order in our communities.

It is only when a situation arises similar to that in Marin County, where there is a first-class juvenile problem, that many of us stand up and say, "What happened to our police and sheriff's officers?"

We are fortunate in Contra Costa County to have an active and efficient sheriff's office, and active and efficient police forces in our incorporated areas of Concord and Walnut Creek.

The cooperation between these law enforcement agencies can best be demonstrated by the recent outbreak of juveniles in the Curry Creek area.

Over 100 juveniles were rounded up by Concord police and sheriff's deputies, and parents were warned that there would be "No Marin County Here."

In a similar manner the preceding week Walnut Creek police officers and sheriff's deputies cooperated to break up a gathering of juveniles at a party when an "uninvited group" started trouble.

In both cases, prompt action on the part of our law enforcement people let the individuals involved know that nonsense would not be tolerated here.

In our unincorporated areas, including Lafayette, Orinda, Alamo and Moraga, the sheriff's office must bear the entire burden, but proof of its constant vigilance lies in the fast action provided in case of trouble.

But good law enforcement, no matter how effective, is not the answer to the problem.

The responsibility must still be ours, as parents, school and church and community leaders.

There is no excuse for parents not knowing where their youngsters are at night, and there is no excuse for lack of discipline by the parents, for after all, it is their responsibility as to how their children behave.

It seems obvious that young teenagers should not be allowed free access to the family liquor cabinet, but too often this is the case.

And responsibility cannot be excused or ignored . . . it is ours as parents and community leaders, first, last and always.

Undoubtedly there are many things we might do as an area and as separate communities to make things easier for our law enforcement officers, and more enjoyable for the youngsters, and this too is our responsibility.

There is a definite lack of good recreational facilities for teen-agers, and good entertainment is a must if the youngsters are going to stay out of trouble.

The Sun has long urged that the schools sponsor dances after school, and especially after athletic tournaments.

We cannot hope to turn our responsibilities over to organized agencies such as recreation departments, and even schools, and have our children grow as we would wish.

The responsibility is still on our individual shoulders . . . and that is precisely where it belongs.

What They Say . . .

Colorful Thumbs Are Here!

With the recent advent of the vernal equinox, several pursuits which have lain dormant over the chilly, wet winter months are once again in abundant evidence.

More people are whistling, for more reasons. Boys of all ages are loosening up throwing arms, oiling mitts, taping the ends of bats, and, occasionally, sharpening the spikes on the bottoms of low-cut oxfords.

Young gentlemen with springy muscles and courageous hearts are prancing up and down cindered pathways, around ovals, across bars, up over poles and over sawdust pits in valiant attempts to surpass the feats of similar youths of past years.

In the feminine sphere, too, Spring has brought forth activities which are pertinent to the season.

Lightweight fashions are on display in colorful "new" styles, convertible tops are down, and dirty knees are almost fashionable.

The latter refers, of course, to gardening. Not that gardening is confined solely to the gentler sex . . . far from it. Many men have found the pursuit of planting, nurturing and harvesting a garden to be iminently satisfying.

In our "semi-rural" area, we have the land available, the weather acceptable, and the results have given hours of enjoyment to a host of junior Luther Burbanks.

We asked several residents of the area: How is your spring gardening coming along? Or aren't you interested in gardening?" They told us in reply something like the following.

WILLIAM ARNOLD, 2773 Argyle Avenue, Concord: "My green thumb ends with just knowing that I have one. I try to keep the place looking halfway decent but I don't have much luck. The water bill is too high."

MRS. KENNETH F. NATTRESS, 90 Tara Road, Orinda: "My gardener takes care of the work, but I'm certainly enjoying the lovely blossoms that are the results."

MRS. HARRIET HENDRIX, 89 Karry Lane, Pleasant Hill: "Our gardening is coming along fine, better than ever. We planted a Modesto ash, about three feet tall, this morning."

WOLTER PROELL, 2901 Gillet Avenue, Concord: "Mine is just about done. We planted a cherry and peach tree this year in addition to daphne and rhododendrons."

WILLIAM E. VAUGHT, 24 Camino Encinas, Orinda: "Yes, I'm interested in gardening! It's coming along nicely, thank you."

PHILLIP PYLE, 2086 Revere Drive, Concord: "Its coming along normally. We are trying to keep up with what we have already done."

MRS. WILLIAM WILKINSON, 628 Michael Lane, Lafayette: "We haven't started taking care of it yet. We're just moving into a new home."

MRS. LOUIS MEYER, 4185 Huckelberry Drive, Concord, "The flowers are coming along but the vegetables need more work."

MRS. MARY L. LYNN, 3485 Moraga Boulevard, Lafayette: "Just fine!"

MRS. WANDA LITTLE, 2612 Richard Avenue, Concord: "We're interested in it. In fact our gardening is just about done."

NELS LUNDBERG, 302 Sunset Road, Pleasant Hill: "We don't have much time for gardening. We haven't got started yet and we don't do too much when we do."

MARK BUTLER, 3192 Baker Drive, Concord: "Our gardening is way behind. Outside of that, everything's okay."

MRS. GEORGE B. CALDWELL, 1321 Dewing Lane, Walnut Creek: "I'm interested in gardening. We are in the process of removing weeds."

MRS. CHARLOTTE AMBROSOLI, 2093 Janice Drive, Concod: "I'm interested in gardening but it never works. My three year old pulls everything up."

ALBERT ARMININO, 1638 Riviera Avenue, Walnut Creek: "I am interested but things are coming slow. We're thinking of dahlias and roses, but we have to get ride of the weeds first."

MRS. IRENE RUNNION, 2040 Belmont Road, Concord: "To a certain extent, we're interested, but both of us work. We've done a little bit of digging but we haven't got anything planted yet."

Don't Quote Me, but . .

Despite Slivers, Oregon Really Is a Lovely State

By DOROTHY PATTERSON

Apparently it is time for us once again to start planning our vacations this year, and on all the brochures I remove from the mailbox, the plaintive plea seems to be that we should "See America First."

So we shall probably go along patriotically with this appeal to "See America First" — oh, about as far as Oregon, I imagine.

Oregon is truly a beautiful state, full of trees and gently rolling greenery, unfenced and spacious.

The highways are not bordered by the customary beer cans, soft drink bottles and papers, such as you see on our highways — not at all. Just everything in Oregon is different.

An abundant supply of signs

Their roads are relatively clear because the natives are usually down here during the summer. There is even an abundant supply of highway markers and signs that save many hot arguments and happy marriages.

Some signs are gentle reminders, like "Watch for Deer on Road," whereas in California we are more accustomed to watching for pedestrians lying on them.

Either that or we have grown accustomed to watching for slow-moving drivers who have come to California to read . . . billboards.

Why, we even have billboards now that ask, quote: "What does John Doe 'read' on his way to work?" unquote. Isn't that friendly?

To be shared, again

It seems that once again we will occupy another lakeside cabin, which undoubtedly we will share with large swarms of undernourished mosquitoes.

Last year our youngest foghorn came home so full of punctures she looked like a little sieve. Nevertheless, we had fun. Like when we entered our cabin and the manager bade us, "Take it easy. The septic tank is full."

He sounded philosophical and he added something about taking care of the problem next year.

We never seem to arrive the year after these little matters are taken care of, but we do arrive the year before they plan to do it. But we can be pretty philosophical, too, especially when we can't get our money back.

Sunbathing—with a dash of slivers

It will be fun once again to take a sunbath while lying on the dock filled with slivers. There are few beaches in Oregon, and the resort managers never seem to get around to sanding off the docks for the convenience and comfort of sunbathers and shoeless children. At least, not before we arrice, they don't.

However, it is difficult to be intolerant of such little things in Oregon when you are surrounded by such panoramic magnificence.

So for one week I will bask on the dock in the sun, if it doesn't rain, and I will think of very deep things.

Weighty problems ahead . . .

I will think about weighty problems like: Which can of food shall I open for dinner tonight? — or, Why do my vacuum cleaner attachments always keep falling apart? — things like that.

I will not care at all about being flourinated, chlorinated or rapid transited; but I shall quietly wine and dine the female Diptera, family Culicidae (see Webster, not me) on California's best RH negative vintage; relax daintily bolt upright on the straight chairs in our cabin and wage my yearly loosing battle with a foreign stove.

Truly, though, I wouldn't miss it for the world.

Buyers Looking to Older Homes in Good Condition

Easier to finance in many cases and frequently offering more convenient living than a ew house, the existing home is growing in buyer appeal, J. H. Carter, president of the Contra Costa Real Estate Board, said today.

The local realtors' executive cited both area and national market experience in support of his assertion of the growing popularity of older houses.

"According to the latest research reports of our National Association of Real Estate Boards," Carter said, "increasing number of families throughout the nation are turning to the purchase of existing homes in good condition.

THEY HAVE BEEN attracted more frequently to homes in the suburbs, but well maintained units located close in have also been selling well."

On the basis of a survey of 250 selected communities throughout the nation, NAREB found that while the sales of such housing in suburbs were moving at the same level as a year ago in 46 per cent of the country, sales had increased in 27 per cent of the communities.

Well-cared for older homes in more central locations were found to be selling in greater volume in 19 per cent of the country.

"A part of the demand for older existing homes is unquestionably explained by their lower price range compared to many new houses," Carter explained. "But in addition, two new factors have been brought into prominence by recent developments.

"THE FIRST OF these is the current condition of the mortgage loan market. As is generally known, mortgage loans at low interest rates are hard to arrange.

"Because of this, there has been a marked drop in the number of mortgages insured by the Federal Housing Administration or guaranteed by the Veterans Administration. At present, much government-backed loans carry 5 and 4½ per cent interest, and many lenders prefer making loans returning moer interest.

"In this situation, increasing numbers of home buyers have bought existing houses and assumed their mortgages which were consummated years ago at low interest rates."

Under both the FHA and the VA programs, Carter pointed out, procedures have been established through which the person buying an existing home with a government-backed mortgage can assume that mortgage, provided he can meet the credit and other requirements of the two agencies. Carter said that this is being done in a "substantial" number of transfers involving existing houses.

"The second factor working to the advantage of the existing house as a good buy in today's market," the realtors' executive declared, "is what might be called its superior living conveniences. By that I mean the sum total of the advantages enjoyed by a person who buys into an established community."

Letters to The Editor

DEAR EDITOR:

Your policy of presenting both sides of political and other issues is greatly appreciated.

It is particularly needed for local politics but is rare in national politics. I almost quit taking a large daily last fall. It was so slanted!

We appreciate people like you, who try to present a fair picture. I personally want you to give your preference — in other words, your conclusion, as you have covered all the material, where I may not (I hate to say it!)

People are often swayed by the opinions of those far less qualified than you. I think it is fine for you to express it as you own and not by devious means such as slanting news or putting things in a remote corner of the paper because they are not in accord with the owners thinking.

On a more pleasant note — why don't you consider becoming "The Diablo Valley Sun" as our interests out here are all relative.

I would like to know what Orinda and Pleasant Hill are doing as well as Lafayette and Walnut Creek, and I think others would share the same interests.

We know people in all these areas. We are all suburbanites, commuters, home owners and when our children are in high school, travelers to all parts of the valley.

We enjoy your paper. I read more in it than I do the daily paper!

Mrs. Jim McKennon.

Dear Editor,

We note with great interest that Assemblyman Bruce Allen of San Jose wants to extend the State's Farm and Home Loan Purchase Program to include veterans residing in California who did not enlist in California.

To meet objections from various legislators, he has tacked on an amendment, one of its proposals completely unfair, entirely irrelevant to the program.

It would make ineligible those veterans who received bonuses from other states.

Now how could, perhaps a $300 bonus received in the middle 1940's or early 1950's have any bearing on the present situation of extremely high down payments and exorbitant interest rates?

We, like many a veteran, are forced to pay a high rental because the tight money policy prevents us from purchasing our own home.

Needless to say, Assemblyman Allen's proposed bill temporarily elated us until we read the "fine print" discriminating against a certain segment of veterans.

Mrs. HENRY ZACK,
Lafayette

VOTE FOR ENDORSEMENT

Dear Editor:

Dear Editor:

Do take a position on candidates for office when you sincerely feel there is a difference in quality.

Your willingness to take a position on almost all other matters is one important reason why your newspaper is held in such high regard.

Keep up the good work.

Passover Feast Will Be Tuesday Evening at Center

On Tuesday evening at 7 the Jewish Community of Central Contra Costa County will celebrate its fifth annual Passover Seder service and dinner at the Jewish Community Center Building in Lafayette.

It will be sponsored by the League of Jewish Women, under the chairmanship of Mrs. Amos Leffler. Caterer will be Goodman's of Oakland.

All of the traditional Passover foods will be served. The entire assembly will participate in the retelling of the age-old story of the Exodus.

Led by Messrs. Fred Marcus, principal of the Sunday School, and Amos Leffler, the adults will tell the story to the children, and the children will ask the traditional questions. Thus in an atmosphere as nearly like the families throughout the world who at the same time are celebrating the Passover, the Jews of this area will herald in an eight-day Passover holiday.

In a world situation closely akin to the story as it is told in the Bible, the holiday has a double meaning now in 1957.

The dinner will cost $3.50 per plate, but families with two or more children may reserve one plate for each two children and for an additional 35c they will have an extra table setting and dessert so that the two children may share the meal.

Mrs. Irene Frankel, YE 4-2329 may be contacted for reservation.

Under The Sun

The Debate Continues on Endorsing Candidates

By HERAN SILVERMAN

This column has been debating whether or not The Sun should endorse candidates in some of our elections. I have presented the pros and cons in previous columns and recently asked for your opinion. Every letter and phone call, except one, strongly urged The Sun to recommend candidates.

Yesterday I received this letter from a man whose opinion I highly respect. He is publisher of the Monterey Park Progress near Los Angeles and publishes a very good newspaper. Here is his letter:

DEAR EDITOR:

You ask the question, "Why should a newspaper tell people how to vote?" The answer, it seems to me (and I'm sure to you after reflection), is that nobody should TELL anybody how to vote. Including (and probably especially) a husband and wife, and vice versa!

Newspapers are people . . .

Newspapers, however, do have a role to play. Newspapers are people. They are owned and edited by individuals who are specially trained as observers, have a good deal of integrity and spend more time than anybody in watching governmental affairs in their own backyard.

As people, they have opinions like anybody else. These opinions are apt to be informed since they are based on observation of governmental matters 52 weeks a year, every year — and not just the few romantic months before an election.

I think newspapers as people should have opinions. Not for the purpose of "telling" people how to vote, and certainly not for picking winners. The thinking — the opinions — of newspapers as people form a frame of reference — a kind of point of departure upon which citizens in the community can become interested in a political campaign.

Making people think

These "opinions" should stimulate a citizen to think about the selection. It may be that some citizens will think the opinions good, and will vote for the candidate endorsed. But that's just gravy. The important thing and the main responsibility of the newspaper is to get people interested.

And so you are confronted, in some mythical case, with the choice between Tweedledum and Tweedledee. This is a choice, mind you, in your own back yard. The fact that there are such poor choices, right off the bat, is a mark against your newspaper for not getting better people to run.

But still, there's the choice. What do you do?

In a democracy, we always have choices to make. And between two mediocre people (if that happens to be the case) you, of course, choose the man you think is better.

Don't sit on the fence

No citizen, certainly not the citizen-newspaper editor, can sit on the fence, and say to his readers: it's your responsibility to have opinions, not us. After all, we really know the score, and it wouldn't be fair for us to give our opinion!

Iincidentally, the opinion page of The Sun has shown tremendous improvement, and as a subscriber I enjoy it.

School Heads Pay Scales Are Studied

School superintendents in Contra Costa County will get an annual salary of $14,500, if legislation recommended by the State Senate committee on governmental administration, is passed.

The legislation would create eight classifications of salaries. Los Angeles County in Class I, would allow the highest pay.

Contra Costa County would be in Class 3.

Juvenile Hall Auxiliary Has Birthday; Fetes Officers

More than 200 guests were present at the first anniversary dinner dance held by the Contra Costa Juvenile Hall Auxiliary, March 28 at the El Nido in Lafayette.

General chairman for the benefit affair was Mrs. Donald G. Willhalm.

Jerome Waldie, head of the speaker bureau for the Juvenile Hall Auxiliary was master of ceremonies. Music was furnished by Maurice Anger's Orchestra.

MRS. FRANK Lonergan, past president and her retiring board members presented Mrs. Harold C. Frazier and the new board with a first anniversary cake.

The Contra Costa Juvenile Hall Auxiliary was founded to provide supplementary services to the children at Juvenile Hall and of the wards of the court, said Mrs. Willhalm.

The Auxiliary works with the court in offering aid whenever possible to assure help for those children. Among the 24 units of assistance offered by the Auxiliary are arts and crafts, carpentry, clothing, dramatics, scholarship and employment unit, entertainment, folk dancing, furnishings, gardening, grooming, holidays and birthdays, library, medical and dental, mending and sewing.

Outgoing members are Mesdames Jerry Lindquist, Pittsburg; Richard Snyder, Lafayette; Ann Vukelich, Richmond; Henry Rae, Concord; Fred McIntyre, Walnut Creek; Miss Minnie Englehart, Danville.

INCOMING officers are Mesdames Harold C. Frazier, San Ramon, president; Sallie Hoff, corresponding secretary; Harry Grantham, Concord, treasurer, and Mrs. T. W. Marston, recording secretary.

Directors for the coming year are Jerome Waldie, Antioch, speakers bureau; Mrs. Donald G. Willhalm, Danville, membership; Mrs. Frank P. Lonergan, historian; Mrs. Laurence Nicolson, Concord, volunteer service director; Mrs. Chester Hook, Concord, probational committee representative.

John Davis, Martinez, probational department representative; Mr. Don Morrison, Martinez, Juvenile Hall repreesntative, and Mrs. Carlton Bayley, Danville, public relations.

Appointed vice presidents for designated areas were Frank Sevilla, Antioch; Mrs. Major West, Concord; Mrs. Harold Breeby, San Pablo; Reverend Raymond Huddleston, Richmond, and Mrs. Robert Adams, Walnut Creek.

Orinda Selected For Survey Area

A national survey by the E-Z Cotton Mills of Cartersville, Georgia is being made and Orinda has been selected as one of the chosen areas in Northern California to demonstrate.

On the afternoon of April 27 at 1 o'clock under the sponsorship of the Women's Guild of the Orinda Community Church, the representative will show new cotton materials.

The program will be about two hours long. Please designate at the door your Circle affiliation so proper credit will be given.

Junior League Welcomes Three Local Officers

Mrs. John B. Williams of Orinda and Mrs. James Nutting of Walnut Creek were welcomed recently as new officers of the Oakland Junior League at its Annual Meeting.

Mrs. Williams will serve as Corresponding Secretary, while Mrs. Nutting is the new Recording Secretary.

Mrs. John Cooper is the 1957-58 President of the League, the purpose of which is to foster interest among its members in the community and to train its members as efficient volunteers.

Mrs. Bruce Howard of Orinda will serve as new Vice President. Her duties will include chairmanship of the Diablo Valley Unit.

The unit numbers one hundred members of the Oakland Junior League who volunteer in the Diablo Valley area.

Mrs. Howard will also be League representative to the Volunteer Bureau of the\ Walnut Creek area, an organization which was established by the Junior League and is financed by the League.

Flower Festival is May 7 Event

The lawns and gardens at the Harmon Howard residence in Walnut Creek are being tended with an eye on the Walnut Branch of Children's Hospital of the East Bay annual Festival of Flowers and Fashions. The date will be May 7.

At that time the gardens will be at their loveliest and will lend themselves well to the Hawaiian theme, said Mrs. Warren Ronneberg, general chairman.

Preparations for the tea were started in January. Mrs. Ronneberge has selected the following Mesdames as committee heads: tea hostess, Harmon Howard; fashions, J. Allen Madison and A. T. MacKay; properties, W. M. Imbrie; program, James McGeehan and Robert Bruen Jr.; door prizes, Mel Nielsen and William F. Anderson.

Decorations, F. Robert Preece; tea and food, Gorrill F. Butler; reservations, Bruce Lee and John H. Griffith; finance, D. Charles Williams; tickets, Gus Spilker; area coordinator, Don Kientz; publicity, Donald Coffin and Phil Schiedermayer.

Orindans Return From Trip East

The Carl Rasmussens of Camino Don Miguel, Orinda, have just returned from an interesting trip to the East.

They first flew to Columbia, Missouri where their daughter, Karen, is a student at Stephens College.

After a short visit seeing the campus they travelled on to New York City, taking with them Karen and Janice Parnham, daughter of Mr. and Mrs. George Parnham of Orinda.

It was an exciting journey for the girls during their Spring Rest Period. They had five days and nights of beautiful spring weather, seeing most everything there was to see, including a ride in the subway and a trip to the top of the Empire State Building.

Mrs. Rasmussen relates one rather harrowing experience. On the plane from Kansas City to New York one engine suddenly stopped functioning and another one started to feather out. They had to make a forced landing at Pittsburgh, where they boarded another plane.

The rest of the trip was uneventful, and they were fortunate to have just missed the unusual snow storms and tornadoes.

Cocktail Party Slated Tomorrow At Meadowbrook

From 5 to 7 p.m. tomorrow Meadowbrook Golf Club will honor new entries on the club's roster.

The cocktail party will not only introduce new members joining the club during the month of March, but will also give the entire club membership the opportunity to see and use new furnishings in the clubrooms.

members, according to Arthur H. Bell, chairman of the membership committee, are Messrs. and Mesdames Edward Haskell, William Hill of Walnut Creek; Thomas Lee and Dr. and Mrs. Lee Lorenzen of Concord; the William Heruths of Martinez; the Chester Belts of Oakland; Samuel McCommells of Berkeley; Clifford Gants of Lafayette; Messrs. and Mesdames Reed Chase, George Hollidge, James De Korne and Charles Alameda of Orinda.

Chairmen of the affair are Mr. and Mrs. Bell, assisted by their committee which includes: Messrs. Hugh Esry, John Correia, J. P. Kelleher, Fred Schlaman, Kenneth Copenhagen, Dr. Rosalie Reardon and Mrs. Dale Disdon.

Omega Nu's Have Guests At Buffet

A buffet supper marked the premier of the sixth annual rush season of Walnut Creek's Lambdo chapter of Omega Nu.

It was held at the home of Mrs. Leo Pasquini of 3920 LeRoy Way, Lafayette, April 2.

Mrs. Lyle McKim of San Francisco was the guest speaker. She became affiliated with Omega Nu at Reno, Nevada, in 1916. She told of early experiences in the sorority.

Honored guests included Mesdames Harlan Copsey, Daniel Ginder, Robert Watterson, Philip Harris, Al Savio all of Walnut Creek, Richard Means, Dirks Foster, Robert Miller from Lafayette and Phillip Boomer of Concord.

Mrs. Robert Whelan was chairman, and Mrs. Leo Pasquini was evening hostess. They were assisted by Mesdames Harmon Loughter, William Barber, James Auston, Walter Hutchinson and George Anderson.

MARRIED IN THE First Presbyterian Church of Concord were Philip di Giorgio Jr. and the former Frances Sands March 30. Frances is the daughter of Mr. and Mrs. Curtis Sands of Concord. He is the son of the Philip di Giorgios of Hillsborough.

Anna Holmberg, Norman Jarrett Wed Tomorrow

Anna Marie Holmberg, daughter of Mr. and Mrs. Oscar Holmberg of Oakland, will exchange vows with Norman Jarrett of Bonita Lane, Orinda, at 2 p.m. tomorrow.

The wedding will take place in the Music Room of the Castlewood Country Club, Pleasanton.

The Rev. Lorin Ridings, pastor of the Park Boulevard Presbyterian Church, will officiate.

THE RECEPTION, immediately following the wedding, will be in the adjoining Garden Room.

Ann has been a resident of Oakland all her life. She graduated from Oakland High School and subsequently business school.

She formerly played first violin with the College of Holy Names Symphony Orchestra. Her adventures in voice led her to singing with the Oakland Light Opera Association.

Currently she sings in the choir of the Park Boulevard Presbyterian Church.

SON of Mrs. Ada Jarrett and the late Fredrick Jarrett of Vancouver Island, British Columbia, Canada, Mr. Jarrett resides at 6 Bonita Lane, Orinda.

He is a member of the senior staff of Indsutrial Indemnity Company and has been closely associated with the Bechtel interests, including many large industrial and construction projects.

Currently his interests are directed toward the safety of the $39 million Trinity project, and several major PG&E projects and various Bay activities.

HE IS A MEMBER of the Veterans of Safety, the American Society of Safety Engineers and Castlewood Country Club.

Miss Marjorie Radovan will sing "The Lord's Prayer" and Schubert's "Ave Maria."

Miss Radovan has sung the lead in over 60 performances in the leading opera houses throughout the continent of Europe.

Following a honeymoon tour of Mexico by air, the couple will make their home on Bonita Lane in Orinda.

Juniors Pick New Officers, Plan Frolic

New officers of the Junior Women's Club of Walnut Creek have been elected.

They are President Mrs. Gus Teicheira, First Vice President Mrs. Roger Black, Second Vice President Mrs. John Fontenrose, Recording Secretary Mrs. Paul Bonilla, Corresponding Secretary Mrs. James McClintick.

Treasurer Mrs. Richard Snoke, Auditor Mrs. Leonard Hopkins and Parliamentarian Mrs. William Claraty.

The installation will be held on June 4.

Fine Arts Chairman Mrs. David Allan announced that the Walnut Creek Juniors have been chosen to present the entertainment for the Alameda District Convention, Junior Membership to be held April 12 and 13 at the Castlewood Country Club.

Members in the cast are Mesdames Charles Pratt Jr., William McGeehon, Robert Wise, James McClintick, David Allan, John Rousset, Thorwald Isacksen, Grovoner Fox, Paul Chwasciak and Charles Clausen.

Sweet Adelines Entertain Guests

A group of Contra Costa housewives who spend their leisure time enjoying the revived art of Barbershop Harmony make up the Contra Costa Chapter of Sweet Adelines, Incorporated. These Sweet Adelines entertained three guests at their recent meeting with two contest and various chorus numbers arranged by Mrs. W. Turing, program chairman.

Those honered were Mesdames F. M. Davis, Frank Nugent and H. Holmes. The hostesses of these guests were respectively Mesdames William Losea, Ray Peters and R. Rossler.

Plans are being made for a Guest Night on April 18. Invitations will be issued shortly to various Bay Area Sweet Adeline Quartets as well as a men's Barbershop Quartet — in addition to the Stockton Chapter of Sweet Adelines. "A cordial invitation is extended to all those interested in barbershop singing to attend our April 18 meeting at the Pleasant Hill Community Center at 8 p.m.," announces Mrs. G. Zerbini, social chairman, whon can be phoned at MU 5-6349.

Miss Bekins Will Marry On July 20

Miss Carol Bekins of Acacia Road, Walnut Creek, has selected July 20 for her marriage to Patrick F. Gates of Juanita Drive, Walnut Creek.

The announcement was made at the home of her parents, Mr. and Mrs. Chester Bekins of 2702 Acacia Road, Walnut Creek on March 31. Relative and friends attended a garden cocktail party.

Patrick will graduate from Contra Costa Junior College in June. He has been taking business courses. He graduated from Acalanes High in 1952, and attended St. Mary's College before he entered the U. S. Army for two years.

Miss Bekins attended the Junior College, and is now employed as a dental assistant in Lafayette. She is a graduate of Acalanes High and a member of the Mt. Diablo Dental Assistant Society.

Patrick's parents are Mr. and Mrs. Elmer Gates of 1223 Juanita Drive, Walnut Creek.

Joan Landis to Wed Leo Bailey Late in May

Joan Landis, daughter of Mr. and Mrs. Ralstone Bullitts, 2960 Cherry Lane, Walnut Creek, will marry Leo P. Bailey Jr., it was announced recently.

The ceremonies will take place on May 25 in the old St. Mary's Church, and a reception will be held in the Century Club.

Crown Circle Planning Tea

Plans for a White Elepahnt Tea to be held early in May will be completed when Crown Circle of King's Daughters meets Wednesday evening, at the home of Mrs. Kenneth Smetts, 1058 Buchan Drive, Lafayette.

The tea is one of a series sponsored by the Northern California Branch of King's Daughters for the benefit of the Girls' Residence in Oakland. Mrs. H. J. Hart of Orinda is chairman.

Working with her, will be the members of Crown Circle as well as members of other King's Daugthers circles who are living east of the tunnel in the Walnut Creek-Lafayette-Orinda area.

Hostess for the tea, tentatively scheduled for May 10 from 10 in the morning until 3 in the afternoon, is Mrs. James Dupuis of Orinda.

Miss Universe Will Model at Capwell's

A special treat for the ladies (and for the men, too!) will appear at Capwell's, Walnut Creek tomorrow at 7 p.m. when Carol Morris, Miss Universe of 1957, will model swimwear.

Modeling swimsuits is particularly apropos for Miss Morris who was Midwest and Iowa State backstroke champion at the age of 16.

Miss Universe will wear swimsuits specially designed for her by Milo Anderson of Catalina. She will autograph photos for the audience after the Capwell's presentation.

THREE OTHER models besides the beauty winner will show the swim styles. Commentator will be Jeanne Elliott, Catalina fashion stylist.

Miss Universe is a brown-tressed, blue-eyed beauty, 5' 7" tall and weighing 129. Besides these obvious attributes the beauty contest winner also speaks French; and before winning the title of "the world's most beautiful girl" she was studying to be a teacher, which is still her primary ambition.

THE 21 YEAR OLD beauty is, as yet, unengaged. She cooks "a little." Her favorite foods are medium-rare steaks, banana caramel cream pies, and chocolate parfaits. However, her formula for keeping her trim figure just includes "good food (steaks) and plenty of sleep."

Simplicity is the hallmark of the serenely lovely girl, as exemplified by her taste in clothes. Light blues, pink, green and black predominate her wardrobe. Her hobbies are her pet dog Dukie and cat Scottie, and collecting miniature horses. Miss Universe states that she once owned a real horse, but had to sell it to raise money to buy Christmas presents. Now, she is the proud mistress of a Chevrolet convertible, the first automobile she has ever owned and which was a prize she won as Miss Universe.

Educators Veto Appointments Close to Term

Contra Costa County Board of Education today was on record affirming that it "will not be a party" to any appointment to local school boards when a resignation is submitted shortly before the term is to expire.

The board adopted a resolution Wednesday in which it declared that it "will not give its approval to any appointment proposed when vacancies occur within 120 days prior to the date of election of a new trustee" and when "failure to fill such vacancy by appointment by the county superintendent of schools (with board approval) would not generally work a detriment to the functioning of the trustees remaining on said board."

Board members also voted full support of Assembly Bill 3045, increasing basic state aid per child from $120 to $135 and liberalizing other state allowances. They directed County Superintendent B. O. Wilson, board secretary, to notify the county's legislators of the action.

Another resolution approved the formation of a section of the California School Boards Association for members of county boards of educatin.

This resolution will be presented to the executive board of the state association by Mrs. Phyllis Wainwright of Martinez, president of the Contra Costa County Boards Association and a member of the state executive board.

Mrs. Wainwright will introduce the suggestion at an executive meeting in San Francisco.

The board also authorized tentative budgets for itself and the county superintendent's office. Because the department is supported with both county and state funds, budgets are prepared for the county auditor and the board of supervisors, on one hand, and the State Department of Education.

The board voted to hold a special meeting April 24 to discuss personnel policies and other matters.

TRAFFIC DEATHS

Traffic fatalities in California during 1956 totaled 3804, reports the California State Automobile Association.

Amateur Radio Is Important To Civil Defense

Amateur radio in Contra Costa County's Civil Defense program has made notable progress in the past year, according to Director William Ward.

Of importance to the county is the approval of the Contra Costa County Civil Defense Communications Plan. This plan outlines the method by which the Radio Amateurs will operate during Civil Defense emergencies and drills. A copy of this plan will be sent to all participating Amateurs in the near future.

Twenty-one Gonset Communicators, 15 on six meters and six on two meters, were purchased by the county and the Federal Civil Defense Administration for use by amateurs in this area.

These Communicators will be distributed to participating Amateurs for use in Civil Defense activities. In addition to the Communicators, antennas have been purchased for permanent installation at various locations throughout the county.

The Control Center at the Communications Building has been revamped slightly. The former operating positions have been partitioned into four rooms, one of which has been set aside for Amateur Radio equipment. Operating from this point should be much more pleasant than it has in the past.

A committee of five Radio Amateurs is presently working on the distribution of the Communicators, a standard net procedure and other means to keep Amateurs interested in the program. The net on Monday night is active as are the transmitter hunts every third Monday night. Activity in the future should be much greater when the Communicators are allocated.

Mrs. Walker Is Guide Dogs Local Chairman

Mrs. Jerry Walker of Orinda is chairman for the Contra Costa Committee for the Guide Dogs for the Blind, it was announced.

The organization will begin its annual fund drive on Monday with a luncheon at the St. Francis Hotel in San Francisco.

The mail and telephone campaign lasting through May 15 marks the 15th anniversary of Guide Dogs for the Blind.

YFC Members Will Compete

Representing Contra Costa County in the seventh annual Youth for Christ regional retreat held at San Jose starting Sunday will be eight local contestants and about 75 rooters.

The contestants were selected from a number of teenage Y.F.C. clubs at a "Teen-A-Rama" Rally held in the Walnut Creek Recreation Center several months ago.

The representatives chosen were Dennis Johnson, preacher-boy; Jan Helthman, instrumentalist; Bob Polly, pianist, and a Bible Quiz Team of five—Geraldine Gasatco, Mike Stowe, Kathy Eliot, Janice Doran and Shirley Buchingham.

According to Bible Club Director Wayne Zellmer, the entrants have an excellent chance of winning the top places.

If a contestant should win the "Regionals," he will be given the opportunity to represent the West Coast Region in the "Nationals" at Winona Lake in the summer. The winners go from there to compete in the "Internationals" in Denmark.

The retreat will begin Sunday afternoon and continue Monday and Tuesday. The delegates will stay at homes provided by the San Jose Y.F.C. Rally. Representatives from both Oakland and Contra Costa will all wear sailor hats.

Artists Offer Muir Sketches

Muir Manor, the Martinez home where John Muir lived for 24 years will be mirrored in many styles when sketches done by Contra Costa County artists are shown at the Muir Festival April 26-28.

Members of the Diablo Art Association sketch group include Evadne Wenker of Alamo, Mable Douglas of Concord, Mr. and Mrs. V. T. Kronenberg of Walnut Creek, Catherine Madsen of Walnut Creek, Mr. and Mrs. Owen Nelson of Danville, Betty Lee, Udel Noble, Mary Lou Conn, all of Concord, Jane and Jack Laycox of Walnut Creek.

CD Meet Planned

A regular monthly meeting of the Contra Costa County Joint Cities-County Civil Defense Planning Board will be held Tuesday noon at the Monument Bowl, 2265 Contra Costa Highway, Pleasant Hill.

A message of importance . . .

DEAR MR. & MRS. CAR BUYER

We are pleased to announce that we have taken every semblance of risk out of the purchase of a used car.

We offer you. . . a selected list of used cars that have passed the NATIONAL BONDED inspection for mechanical perfection.

Our large stock now contains a wide range of makes and models, all priced "way down" for quick Sale!

We will include a New Car Warranty on all new cars purchased from us, to take over following the expiration of the usual manufacturer's warranty. This guarantees you an expense-free service for an additional 12 months.

Our stock now contains many fine values; including a variety of makes and models.

Please contact anyone of our well informed salesmen pictured in this advertisement.

Sincerely

Make your next car a --
NATIONAL BONDED CAR

ONLY A NATIONAL BONDED CAR GIVES YOU ALL THESE ADVANTAGES

(1) Every automobile carrying the NATIONAL Seal has been inspected, tested and certified by NATIONAL's own automotive experts. You can't "buy trouble" when your car is Warranted by NATIONAL!

(2) Your first cost is your last cost because, if trouble occurs, NATIONAL will pay all repair bills as described in your warranty certificate.

(3) Your warranty coverage includes both parts and labor required to restore your car to its original condition.

(4) Repairs will be made at any garage of your choice, anywhere in the United States, and payment is made direct to that garage by NATIONAL. You pay nothing!

(5) Whether you drive 5,000 miles or 50,000 miles, your NATIONAL Warranty protects you. And no special maintenance requirements are necessary — only normal lubrication.

Posture Week Is Scheduled

Chiropractors in Pleasant Hill and throughout the nation are sponsoring Correct Posture Week from May 1-7. Emphasis this year will be on correct posture for America's school children.

Heading the Correct Posture Committee for the California Chiropractic Association in this area will be Dr. A. C. Wesdorf of North Main Street, Pleasant Hill.

"Instilling the necessity of good posture in the young child is a practice which will pay great dividends later in the child's life," he said.

Other chiropractors in charge of correct posture programs in their areas include Tom B. Clay of Mt. Diablo Boulevard, Lafayette, and Francis Dodd of Clayton, Road, Lafayette.

Quoting statistics which showed that the health of 53 per cent of the adults in this country is affected by poor posture, and that 76 per cent of the school children in the United States have some form of postural defects, Dr. Wesdorf said:

"Such a high rate of postural a great extent, to the influence the parent has on the child.

"In many instances, one or both parents have poor posture, thus setting a bad example which may be followed by the child. Parents should check themselves in this respect.

Two Dog Shows Planned in WC

"An obedience dog show is not a program in which two strings of dogs do the can-can or jump through fire burning hoops, but one that displays the usefulness of the obedience trained canine in our society," Clark Fulghum of the Mt. Diablo Dog Training Club told The Sun this week.

He said that Walnut Creek will be the scene of two obedience trials.

An interclub match will be held at the Recreation Center on April 14. Clubs in northern California will enter.

On April 28, the Mt. Diablo Dog Training Club will hold one of the first obedience trials of the years at the Center.

About 200 dogs and handlers will attend. The public invited to the shows, Fulghum said.

Engel Attends Builders Meet In New Orleans

Victor Engel, executive director of the Central Contra Costa Builders Exchange, left recently to attend sessions of the International Council of Builders Exchange Executives in New Orleans.

Engel was selected to present a paper on recent ethical practices in the building and construction industry in the United States and Canada.

Exchange executives were to study changing patterns in fields of labor, finance and legislation in both countries and conduct a general exchange of information during the three-day conference.

Oil Unit Hears Larry Sullivan

The East Contra Costa Oil Information Committee held its regular monthly meeting in Antioch March 14. Larry Sullivan of the E. I. duPont Company gave a short talk on the subject "Magic Briefcase."

Don J. Smith, chairman of the group, introduced Bill Williams chairman of the committee for 1956, who in turn announced the winners of the Go-Devil award — the annual presentation award given to the members of the committee most active in presenting the oil industry story to Contra Costa County.

Vern Axelson of Orinda and Bill Villiams of Orinda were among the winners of the Go-Devil for his area.

Smith announced that the meeting for April would be held in Martinez and that a future meeting will be planned for Orinda.

The Ladies' Ages:

(1)—68	(5)—30
(2)—60	(6)—33
(3)—51	(7)—45
(4)—34	(8)—45

Remember these young-looking women? Each appeared in recent P. G. and E. advertisements which made the point that women certainly look younger than their years these days!

Of course there are many reasons for this, but one big one is modern household *appliances:* They've taken over most of the heavy chores that used to age women long before their time.

Frankly, we're proud of the part our company plays in all this: With P. G. and E.'s low rates for gas and electricity, you can run a houseful of appliances all day for about *half* the price of a lipstick!
